Instructions for Filing State and Further State Notices

Please be sure to check these areas before submitting State Notice and Further State Notices.

Fees

- The filing fee for a State Notice (top portion of the form) is \$75.00.
 - The filing fee for a Further State Notice (bottom portion of the form) is \$75.00.
 - If submitting both a State Notice and a Further State Notice (top and bottom portion of the form) the filing fee is \$150.00.
- There is no additional fee for the duplicate copy(ies).**

State Notice

(Top portion of form; must be filed in duplicate)

- Provide the name and address of the Dealer **OR** Broker. We cannot accept N/A in EITHER area. After registering as a Dealer or a Broker, you may act as a Syndicate Manager and file a Further State Notice as such. However, for the purposes of the State Notice, you act as either a Dealer or a Broker.
- If a corporation, indicate the state or country in which incorporated. If a partnership, leave the incorporation line blank and enter the names of the General Partners in the (next) section provided.
- **ONLY ONE NAME** is permitted per State Notice; e.g., if a Dealer and Broker will both be involved, two separate State Notices are required. If an exemption has been granted, please state such in the State Notice portion of the form.
- A State Notice is a one-time filing unless there has been a name or address change.

Further State Notice

(Bottom portion of form; must be filed in duplicate)

- Be sure that whomever you list as the Dealer, Broker **AND/OR** Syndicate Manager has a prior State Notice on file with the New York State Department of State as a Dealer or Broker.
- Provide the name and address for each Dealer, Broker and/or Syndicate Manager. We cannot accept N/A in EITHER area.
- If a corporation, indicate the state or country in which incorporated. If a partnership, leave the incorporation line blank and enter the names of the General Partners in the (next) section provided.
- If more than one Dealer, Broker or Syndicate Manager is involved, list the names, addresses and where incorporated for each. Preferably, place a (corresponding) number in parentheses next to each name, address and incorporation.
- List the **class** of security to be offered. We cannot accept multiple classes on one Further State Notice form, *unless* they are preceded by "Units consisting of ..." or "Common stock **with** warrants," etc. Please be advised that the word "**and**" denotes multiple filings. Also, do *not* list Fund names as classes of securities; we need to know what (in the fund) is being offered; i.e., "Shares of Beneficial Interest," etc.
- Provide the Issuer's name and address as well as where organized. **Only ONE Issuer name** is permitted per Further State Notice.

Combination State and Further State Notice

- If submitting a State Notice for a Dealer or Broker who will be offering the securities for the Issuer named on the Further State Notice (below), the names must match exactly on both forms; e.g., do not list the Broker as "ABC Fund" on the State Notice and "ABC Fund/ABC Senior Managed Portfolio" on the Further State Notice.

NOTICE: We cannot alter forms or filings received by this office. If an error is made that requires a revision to the form or filing, it will have to be resubmitted with the appropriate filing fee.
