I think a 5x5 on this until 2/17 is ok.

Flat: 40k.

PP LIT X.

Need to review financials and get some sort of know wrongful acts/loss letter or wording on this short term policy.

We will need to review financials for the renewal.

Got a call from John Vanasco at AON NY.

Nice juicy one.

Trump Organization

Private company

Currently the primary 5MM is with Everest and those loss runs are clean

However 4 years ago and prior it was with AIG (they had a number of losses but don't have the details)

\$5MM with \$500K/\$1MM SIRS for \$125K

No EPL cover and no E&O cover – they buy those separately

It's a 2/17 but they are looking for mid-term additional limits (5x5) now

They understand that it will be a flat premium

There are no financials to look at. Everest saw them for 30 minutes, under NDA at renewal but AON has never seen them.

Best guess is \$5BB to \$10BB in annual rev.

There is a sense of urgency at AON and everyone (Pam Numen, Tom, Brian, etc.) are involved  
They have no expectations on what this should be. Just asking for terms from certain carriers

Don't know how you would want to handle given it's private and am waiting for the sub. But wanted to give you what I have on it.

I am leaving for the day now but will be back in tomorrow. I will send the sub to US Subs as soon as I get it.
