**Subject:** Introduction - Whitley Penn

Dear Randy, Jeff, Camron, and Felix,  
By copy of this email I'd like to introduce you to Michael Levchuck and Julie Brand from my team, copied here. Michael is the Area of Director of Finance for both the NY and DC hotels, and Julie is the Director of Finance for our Chicago property.

Michael and Julie,  
Randy, Jeff, Camron, and Felix are with WhitleyPenn, our soon-to-be accounting and professional services firm for the Trump Organization. Jeff McConney and I have had discussions with WhitleyPenn about the various entities we oversee the accounting and finance functions and requires audits/and or compilations. WhitleyPenn is up to speed on the 100% owned entities including Trump Old Post Office LLC (DC Hotel) and 401 North Wabash Venture LLC (Chicago Commercial).

They would also like the opportunity to bid on the 2021 audits/compilations for the various managed hotel-condo financials at each of New York and Chicago including:

- Trump International Hotel and Tower NY and any other related entities
- 401 N Wabash Condominium Association

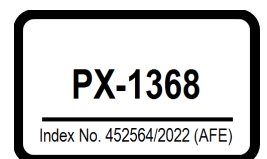

I'll leave it to you to touch base—Randy/Camron/Jeff/Felix please reach out to Michael and Julie separately as appropriate to connect on needs and circumstances relating to these entities. As I mentioned on our previous calls to Whitley Penn, the audit engagements for these HOAs would need to be approved by the respective HOA Board of Directors. I am also happy to join in on any conversations.

Thanks,  
Mark

MARK HAWTHORN
