Re: Ferry Point Golf Course

Dear Ms. Smith:

We are the accountants for Mr. Donald J. Trump and have previously compiled his statement of financial condition as of June 30, 2011 as indicated in our accountants' compilation report dated October 6, 2011. This compiled financial statement showed a net worth in excess of \$4,000,000,000, and cash and marketable securities in excess of \$250,000,000.

While we have not reviewed computations of value since the aforementioned June 30, 2011 financial statement, based on discussions with Mr. Trump and his advisors, we are not aware of any matters that would indicate a significant change in Mr. Trump's net worth as of this date.

This letter should be read in conjunction with Mr. Trump's above referenced statement of financial condition as of June 30, 2011.

Very truly yours,
