Just one minor correction in the letter. Last paragraph on page one the word underwritten should be underwriting. No big deal just thought I should point it out.

Hi Andy,

Hope you are well!

Per your discussion with my father, attached please find some additional information on Doral. I have included some marketing materials on the property as well as our projections. My father will also send you his most recent financial statement by hard mail.

We look forward to your hearing your feedback!

Best,

Ivanka
