I'm working on the notes to Mr. Trump's annual financial statement and I'd like to include any major construction work that was started, completed, contemplated at our golf courses during the last year (i.e. July 2012 – now).

Ex. Doral-we're doing a complete overhaul of the Blue Monster at a cost of \$xxx mil.

Something short and sweet is all I need.

Thanks in advance for your help.

Jeff
