259:10	Q. Now, this form of document that we're		
259:11	looking at, Exhibit 1, the Statement of Financial		
259:12	Condition, are you generally familiar with the		
259:13	fact that there is a "Donald J. Trump Statement		
259:14	of Financial Condition" prepared as of June 30th		
259:15	of each year, at least, as far back as 2011?		
259:16	MR. ROBERT: Objection to form.		
259:17	A. Today I would be well into this case.		
259:18	I think I said at the beginning of this, this is		
259:19	not something I ever recall seeing or working on		
259:20	and really only came to my attention -- it's		
259:21	solely because it's a different department and		
259:22	not what I do, right.		
259:23	This is accounting and that's not		
259:24	what I do on a day-to-day basis. I'm not stuck		
259:25	in the office. I'm on the ground at various		
260:01	CONFIDENTIAL - ERIC TRUMP		
260:02	properties.		
260:03	But, obviously, since the		
260:04	commencement of this action, I'm aware of this		
260:05	Statement of Financial Condition.		
260:06	Q. Well, let me ask it a different way.		
260:07	Prior to the commencement of this		
260:08	action, did you have any general knowledge that		
260:09	there was a document that was prepared called the		
260:10	"Statement of Financial Condition" for your		
260:11	father?		
260:12	MR. ROBERT: Objection to form.		
260:13	A. It's possible that I heard of		
260:14	"Statement of Financial Condition"? Possibly.		
260:15	But this is -- sounds like this is, obviously, a		
260:16	personal Statement of Financial Condition.		
260:17	It's not something that I would have		
260:18	worked on. It's not something, to the best of my		
260:19	knowledge I ever saw, ever looked at. This is		
260:20	just not my in my purview of things that I did.		
260:21	Q. To your knowledge, did you ever		
260:22	provide anyone information which you understood		
260:23	at the time was being used to prepare a Statement

260:24	of Financial Condition for your father?		
260:25	MR. KISE: Objection to form.		
261:01	CONFIDENTIAL - ERIC TRUMP		
261:02	A. I think it would be pretty hard to		
261:03	provide somebody with information for a statement		
261:04	that, I think, I just testified I knew virtually		
261:05	nothing about, I didn't work on and I didn't see.		
261:06	So, I mean, I don't know how to		
261:07	answer that question, other than this is just not		
261:08	something that I ever had anything to do with and		
261:09	I never, to the best of my knowledge, ever		
261:10	directly worked on it. And so, I think, the		
261:11	answer to your question is, no.		
261:12	Q. Okay. Well, let me just probe it a		
261:13	little bit.		
261:14	A. Please.		
261:15	Q. So we're all clear.		
261:16	You know who Jeff McConney is,		
261:17	correct?		
261:18	A. I do know who Jeff McConney is.		
261:19	Q. He's the controller; is that right?		
261:20	A. He was controller, yes.		
261:21	Q. And during the time that you were		
261:22	working on the Seven Springs project, did you		
261:23	ever have discussions with Mr. McConney where you		
261:24	provided him information about Seven Springs, to		
261:25	your recollection?		
262:01	CONFIDENTIAL - ERIC TRUMP		
262:02	A. Yeah, it's possible. Listen, I've		
262:03	had a ton of conversations with Mr. McConney over		
262:04	the years. It's possible that somebody asked me		
262:05	a question about a property. I mean, that		
262:06	happens every single day.		
262:07	Q. Do you have any specific recollection		
262:08	of providing Mr. McConney with information about		
262:09	Seven Springs that at the time you understood he		
262:10	was requesting for purposes of valuing Seven		
262:11	Springs as an asset listed in this Statement of		
262:12	Financial Condition?		
262:13	A. No, because as I said, I had no		
262:14	involvement in this. I don't think I had ever

262:15	seen it. I have no recollection of ever		
262:16	providing Jeff material to be used in a statement		
262:17	that I've never seen.
