274:15	Q. Do you have any reason to believe		
274:16	that Mr. McConney referenced a conversation with		
274:17	you, if it didn't happen?		
274:18	A. No, people have conversations with me		
274:19	all the time about projects. I just -- I can		
274:20	give them answers. I just don't think I ever --		
274:21	you know, I, certainly, wouldn't think that it		
274:22	would go in the Statement of Financial Condition		
274:23	or never had any understanding that any		
274:24	conversation I ever had with Jeff was for the		
274:25	Statement of Financial Condition.
