Reference No. MFCU/CED_NYC_SAAG_3674

Application Deadline is May 17, 2024

The Civil Enforcement Division will consider applications from attorneys with prosecutorial experience who are seeking to expand their range of skills.

The Office of the New York State Attorney General's (OAG) [Medicaid Fraud Control Unit](#) (MFCU) seeks experienced litigators to serve as Special Assistant Attorneys General in its Civil Enforcement Division (CED), which is based primarily in the Unit's New York City office. The selected attorneys will lead complex civil fraud investigations in the healthcare industry, as well as litigate such matters in federal and state courts.

The Medicaid program provides health coverage to millions of New Yorkers, including low-income persons, children, elderly adults, and people with developmental disabilities. MFCU is the nation's premier law enforcement agency charged with ensuring the financial integrity of New York State's \$100 billion Medicaid program by investigating healthcare providers, such as pharmaceutical companies, doctors, hospitals, and nursing homes, who engage in Medicaid billing schemes that cause harm to Medicaid recipients and the loss of millions of dollars to the State of New York. MFCU also works to protect elderly and disabled New Yorkers by investigating reports of abuse and neglect in nursing homes and other residential health care facilities in the state.

Possessing both civil and criminal enforcement powers, MFCU uses various state laws to bring civil actions and criminal proceedings, including asset forfeiture actions. Many of the Unit's investigations are conducted in coordination with other federal, state, or local government and prosecutorial agencies, and have resulted in large-scale criminal convictions and the recovery of millions of dollars of taxpayer money.

Several recent matters that highlight MFCU's important work include the [OAG's report](#) concerning neglect of nursing home residents across New York State during the COVID-19 pandemic, and the recent filing of four major lawsuits against nursing homes, including [Centers Health Care](#), [Cold Spring Hills Center for Nursing and Rehabilitation](#), [The Villages of Orleans Health and Rehabilitation Center](#), and [Fulton Commons Care Center, Inc.](#)

Additional recent significant cases include recoveries of: \$26.8 Million from drug manufacturer Mallinckrodt, [nearly \\$7 Million from home health agencies for cheating workers and Medicaid fraud](#), and [\\$22.7 Million from a pharmaceutical company for its kickback scheme](#).
