

Criminal Justice Division
Medicaid Fraud Control Unit – New York City
Forensic Accountant/Auditor
Reference No. MFCU_NYC_FAA_6383

Application Deadline is May 30, 2025

The Office of the New York State Attorney General's (OAG) [Medicaid Fraud Control Unit](#) (MFCU) seeks forensic accountants/auditors (FAA) for its New York City office. The FAA supports MFCU by working in partnership with its attorneys, detectives, data analysts, nurses, and legal support analysts to conduct complex, long-term healthcare fraud investigations.

The Medicaid program provides health coverage to millions of New Yorkers, including low-income persons, children, elderly adults, and people with developmental disabilities. MFCU is the nation's premier law enforcement agency charged with ensuring the financial integrity of New York state's \$96 billion Medicaid program by investigating healthcare providers, such as pharmaceutical companies, doctors, hospitals, and nursing homes, who engage in Medicaid billing schemes that cause harm to Medicaid recipients and the loss of millions of dollars to the state of New York. MFCU also works to protect elderly and disabled New Yorkers by investigating reports of abuse and neglect in nursing homes and other residential health care facilities in the state.

Possessing both civil and criminal enforcement powers, MFCU uses various state laws to bring civil actions and criminal proceedings, including asset forfeiture actions. Many of MFCU's investigations are conducted in coordination with other federal, state, or local government and prosecutorial agencies, and have resulted in large-scale criminal convictions and the recovery of millions of dollars of taxpayer money.

Several matters that highlight MFCU's important work include [OAG's report](#) concerning neglect of nursing home residents across New York state during the COVID-19 pandemic, and the recent filing of four major lawsuits against nursing homes, including [Centers Health Care](#), [Cold Spring Hills Center for Nursing and Rehabilitation](#), [The Villages of Orleans Health and Rehabilitation Center](#), and [Fulton Commons Care Center, Inc.](#)

Additional recent significant cases include [the indictment and arraignment of owner of NYC pharmacy for allegedly stealing millions from Medicaid; the sentencing of a Bronx clinic owner for defrauding New York State out of more than \\$4 Million in false Medicaid claims; and the extradition, arrest, and arraignment of a Medicaid fraud ringleader.](#)
