

EMPLOYMENT ANNOUNCEMENT

TITLE: INFORMATION TECHNOLOGY SPECIALIST (ITS) 3/ITS 3 DB
STATUS: CONTINGENT-PERMANENT
BUREAU: INFORMATION TECHNOLOGY
LOCATION: LATHAM
SALARY: PEF SG23 (\$84,156 - \$106,454)

MINIMUM QUALIFICATIONS:**Current NYS Employees:**

One year of permanent competitive service as an ITS 3, SG-23 or in a position at the SG-23 level or above deemed administrative under Section 52.6 of the Civil Service Law or in a title designated appropriate for Section 70.1 transfer of the Civil Service Law. The transfer cannot be a second consecutive transfer resulting in advancement of more than two salary grades.

NY HELPS:

This title is part of the New York Hiring for Emergency Limited Placement Statewide Program (NY HELPS). For the duration of the NY HELPS Program, this title maybe filled via a non-competitive appointment, which means no examination is required but all candidates must meet the minimum qualifications of the title for which they apply. At this time, agencies may recruit and hire employees by making temporary appointments. In May 2024, if a temporary NY HELPS employee is satisfactorily performing in the position, the appointment will be changed from temporary pending Civil Service Commission Action to permanent non-competitive and the official probationary period will begin. At a future date (within one year of permanent appointment), it is expected employees hired under NY HELPS will have their non-competitive employment status converted to competitive status, without having to compete in an examination. Employees will then be afforded with all of the same rights and privileges of competitive class employees of New York State. While serving permanently in a NY HELPS title, employees may take part in any promotion examination for which they are qualified.

Non-Competitive Minimum Qualifications:**For appointment to Information Technology Specialist 3:**

Five years of professional experience in the following computer related areas: network, server, storage, and systems management; telecommunications, IT customer support and training; computer installation, diagnosis, and repair; technical writing; computer security; knowledge management; database administration, design, and management; internet/intranet development, design, and maintenance; information technology project management; design and development of geographic information systems or computer aided drafting applications; computer programming; business/systems analysis; program design; or program testing.

OR
