MINIMUM QUALIFICATIONS

NY HELPS:

This title is part of the New York Hiring for Emergency Limited Placement Statewide Program (NY HELPS).

For the duration of the NY HELPS Program, this title may be filled via a non-competitive appointment, which means no examination is required but all candidates must meet the minimum qualifications of the title for which they apply.

At a future date (within one year of permanent appointment), it is expected employees hired under NY HELPS will have their non-competitive employment status converted to competitive status, without having to compete in an examination. Employees will then be afforded with all of the same rights and privileges of competitive class employees of New York State. While serving permanently in a NY HELPS title, employees may take part in any promotion examination for which they are qualified.

Employees appointed via the NY HELPS program are restricted for promotional appointment until their position is covered-in to the competitive class by the New York State Civil Service Commission (CSC), or they otherwise obtain permanent competitive status. The CSC has recently covered-in employees who were appointed via NY HELPS on a permanent or contingent permanent basis between June 26, 2024 and June 11, 2025. Notification to employees regarding a change in their status is forthcoming. You may wish to apply if you received a permanent NY HELPS appointment to a qualifying title within these timeframes and are interested in this opportunity. Your eligibility for promotion will be reviewed by Human Resources. Employees with a permanent NY HELPS appointment occurring effective 6/12/25 or later will be addressed with a subsequent cover-in.
