

EMPLOYMENT ANNOUNCEMENT

TITLE: INFORMATION TECHNOLOGY SPECIALIST 2
STATUS: CONTINGENT-PERMANENT
BUREAU: INFORMATION TECHNOLOGY
LOCATION: LATHAM
SALARY: PEF SG18 (\$66,951 - \$85,138)

MINIMUM QUALIFICATIONS:**Current NYS Employees:**

Eligible under the 55 b/c program, or eligible to transfer to this title under Section 52.6 and/or 70.1 of the Civil Service Law. Candidates reachable on the eligible list for this title will be canvassed and do not need to apply.

NY HELPS:

This title is part of the New York Hiring for Emergency Limited Placement Statewide Program (NY HELPS). For the duration of the NY HELPS Program, this title maybe filled via a non-competitive appointment, which means no examination is required but all candidates must meet the minimum qualifications of the title for which they apply. At a future date (within one year of permanent appointment), it is expected employees hired under NY HELPS will have their non-competitive employment status converted to competitive status, without having to compete in an examination. Employees will then be afforded with all of the same rights and privileges of competitive class employees of New York State. While serving permanently in a NY HELPS title, employees may take part in any promotion examination for which they are qualified.

Non-Competitive Minimum Qualifications:

A bachelor's or higher-level degree including or supplemented by 15 semester credit hours in computer science;

OR

A bachelor's or higher-level degree in any field and one year of experience in information technology;

OR

60 semester credit hours including or supplemented by 15 semester credit hours in computer science and one year of professional experience in information technology;

OR

Two years of professional experience in information technology.

PREFERRED QUALIFICATIONS:

- Bachelor's degree in computer science or a related field.
- 1-3 years of experience with Low Code platforms (Power App, Power Automate, Out systems, Appian, Mendix or similar).
- 1+ years or more experience with Programming with Java or .Net.
- 1 + years or more experience with SQL.
- 1+ years experience with Javascript.
- 1 + years or more experience with API development and testing.
- 1-3 years of experience with documentation such as process flows, workflows, business case, test plans and test scripts.

JOB SUMMARY:

Under the direction of an Information Technology Specialist 3, SG-23, the Information Technology Specialist 2, SG-18, will be responsible for developing, building and testing future modern applications. As a key member of the team, the developer will write and maintain code utilizing low-code development platforms, such as Microsoft Power Platform and OutSystems, to rapidly prototype and deploy solutions. APIs and shared libraries can be developed using traditional programming languages such as .NET or Java. The responsibilities will span across the entire software development lifecycle, including automated testing, debugging, and troubleshooting, ensuring the smooth communication of systems through Service-oriented design.

DUTIES:

- Develop and customize solutions using low-code platforms (Power Apps, Power Automate, OutSystems or similar).
- Design, develop, and maintain APIs (including security and performance).
- Collaborate with cross-functional teams to design and implement software solutions.
- Integrate different systems and applications to ensure seamless data flow.
- Develop and optimize SQL scripts for database operations.
- Write, test, and maintain high-quality code in .NET or Java.
- Handle data extract requests by writing queries and scripts.
- Debug and troubleshoot issues within the codebase.
- Respond to and address tickets within the issue tracking system.
- Other duties as assigned.

HOURS OF WORK:

The agency's hours of operation are Monday through Friday, between 8:30 a.m. and 5:00 p.m. (37.5 hours/week). Scheduling determinations are dependent upon the needs of each bureau and will be communicated during interviews.

ADDITIONAL COMMENTS:

For new State employees appointed to graded positions, the annual salary is the hiring rate (beginning of the Salary Range) of the position. Promotion salaries are calculated by the NYS Office of the State Comptroller (in accordance with NYS Civil Service Law, OSC Payroll rules and regulations, and negotiated union contracts).

The Office of the NYS Attorney General (OAG) cannot provide sponsorship for work authorization. Candidates need to be authorized to work in the United States to be employed by this agency. It is incumbent upon employees to maintain work authorization for the duration of their employment with the OAG.

HOW TO APPLY

In your submission, you must provide sufficient information to determine from your resume and/or cover letter that you meet the minimum qualifications stated above. If a certificate or degree is required to demonstrate that you meet the minimum qualifications, you must provide proof that you hold the required certificate or degree. To apply, please send your resume, cover letter, and a copy of your degree/transcript (if applicable) to HR.Recruitment@ag.ny.gov. Be sure to include Vacancy # and Title of the position in the subject heading of your email.

*Candidates from diverse backgrounds are encouraged to apply.
The OAG is an equal opportunity employer and is committed to workplace diversity.*
