We are seeking talented and motivated support staff to work with our attorneys in the State's law firm. The selected candidate will be part of a fast-paced office, gaining experience while providing public service on behalf of the State of New York. The [Attorney General](#) serves the public interest of all New Yorkers in matters affecting their daily lives, enforcing laws to protect consumers, tenants, patients, workers, investors, and charitable donors. The office coordinates statewide civil and criminal investigations, promoting economic and social justice, encouraging harm-reducing public health strategies, and preserving the state's environment.

Careers with the State offer multiple benefits, including **paid vacation leave (13+ days per year)**, sick leave, **paid State holidays off**, **health insurance** including vision & dental, entry into the **NYS retirement** (pension) system, education and training, eligibility for public student loan forgiveness, and **job stability with promotional opportunities**. Workplace flexibilities include multiple options for employees, including **telecommuting** (up to two days per week) and alternative work schedules.

MINIMUM QUALIFICATIONS

NY HELPS:

This title is part of the New York Hiring for Emergency Limited Placement Statewide Program (NY HELPS).

For the duration of the NY HELPS Program, this title may be filled via a non-competitive appointment, which means no examination is required but all candidates must meet the minimum qualifications of the title for which they apply.

At a future date (within one year of permanent appointment), it is expected employees hired under NY HELPS will have their non-competitive employment status converted to competitive status, without having to compete in an examination. Employees will then be afforded with all of the same rights and privileges of competitive class employees of New York State. While serving permanently in a NY HELPS title, employees may take part in any promotion examination for which they are qualified.

NON-COMPETITIVE QUALIFICATIONS:

- A bachelor's or higher-level degree including or supplemented by 15 semester credit hours in computer science.
OR
- A bachelor's or higher-level degree in any field and one year of experience in information technology.
OR
- 60 semester credit hours including or supplemented by 15 semester credit hours in computer science and one year of professional experience in information technology.
OR
- Two years of professional experience in information technology.
