Paid, Part-Time Placement for Undergraduate Students | Application Deadline is September 4, 2026*

The Office of the New York State Attorney General's (OAG) [Westchester Regional Office](#) (RO) has a paid placement available for an undergraduate student who is interested in working as a student mediator. In addition to other legal matters, the RO prosecutes businesses and individuals engaged in fraudulent, misleading, deceptive, or illegal trade practices, and mediates thousands of complaints each year from individual consumers. A large percentage of these complaints are successfully resolved through mediation. Student mediators play an integral role in the mediation process. Students serve as consumer advocates in negotiating complaints against merchants. Each mediator is assigned a docket of complaint files covering a broad range of consumer issues including retail sales, mail order transactions, credit transactions, immigration fraud, telemarketing, warranty matters, home repair, and automobile sales, among others. **Applicants must have immediate availability.**

As mediators, students are taught interviewing techniques and develop their analytical skills as they learn to focus on the underlying issues for each complaint. While each complaint is reviewed by a member of our professional staff, students typically exercise significant discretion and independent judgment. Professional staff and attorneys are always available to answer questions.

Duties:

- Provide direct customer service to consumers;
- Answer and direct phone calls professionally;
- Assist walk-in constituents with general inquiries;
- Assist with processing incoming and outgoing mail;
- Scan, copy, and organize consumer correspondence;
- Maintain and file documents and records as needed; and
- Provide general administrative support and assist with other projects as needed.

The position provides students with a high degree of responsibility and requires them to exercise sound judgment. Applicants must be articulate, analytical, and organized. No specific experience is required.
