Economic Justice Division
AI Safety, Standards, Enforcement, and Transparency Unit—New York City
Assistant Attorneys General
Reference No. ASSET_NYC_AAG_3929

Applications Deadline is December 11, 2026

The Office of the New York State Attorney General (OAG) is seeking dedicated and motivated attorneys with experience in Artificial Intelligence (AI), emerging technologies, and related issues for its newly formed AI Safety, Standards, Enforcement, and Transparency (ASSET) Unit. Attorneys in the unit will explore the impact of AI and emerging technology on public safety, consumer and child protection, data privacy, cybersecurity, and other critical issues. The unit is also tasked with enforcing the RAISE Act, which goes into effect on January 1, 2027, as well as enforcing other AI laws. Additional responsibilities include developing AI and technology-related policy proposals and lending technical expertise to support investigations throughout OAG. The selected attorneys will be based in New York City and report to the Unit Chief.

Duties:

- Evaluate AI and emerging technology risks and potential solutions, develop policy proposals, and work with external stakeholders on policy outcomes that prioritize safety and accountability.
- Draft regulations and guidance where needed to effectuate and enforce AI and technology-related laws.
- Respond to emerging and time-sensitive industry developments to protect public safety and ensure adherence to applicable laws.
- Create scalable enforcement frameworks to investigate potential violations of AI and technology related laws.
- Act as an AI policy subject matter expert and advise internal stakeholders on AI and emerging technology where relevant to OAG's work.
- Initiate enforcement actions where warranted and address legal issues of first impression in the AI context.
- Work independently and lead teams of attorneys, investigators, and technologists.

Qualifications:

- At least five (5) years of post-graduate legal experience.
- Experience in any or all or the following is strongly preferred:
    - Understanding of frontier AI and associated legal considerations including safety and liability, as well as the AI industry landscape.
    - Advising on the development, adoption, or regulation of technology products and related legal issues including privacy and data security.
    - Familiarity with AI subject matter experts and ability to leverage outside expertise to strengthen the knowledge and work product of the unit.
    - Drafting or advising on compliance with legislation, regulations, and/or policy compliance.
    - Acting as key contributor in investigations and/or complex litigation.
- Excellent legal analysis, legal writing, and editing skills.
- Highly proactive and responsive.
- Strong organization, communication, and problem-solving skills.
- Ability to work well independently and with multifaceted/multidisciplinary teams.
- Enthusiasm for developing fluency in highly technical subject matter and remaining constantly informed in rapidly developing policy areas.

Applicants must reside in (or intend to soon become a resident of) New York state and be admitted to practice law in New York state. In addition, the Public Officers Law requires that OAG attorneys be citizens of the United States. A

two (2) year commitment upon being hired is a condition of employment.

The salary range for this position is $87,356 - $186,494 plus $4,150 in location pay. To learn more about attorney compensation, please visit the following page:
