COMPLAINT FOR DECLARATORY AND INJUNCTIVE RELIEF

1. Since January 20, 2025, the Trump Administration has engaged in unprecedented efforts to unilaterally dismantle federal programs, spending, and personnel without Congressional

approval. Now this campaign has reached AmeriCorps, the federal agency for national service and volunteerism.

2. AmeriCorps—officially, the Corporation for National and Community Service¹—has operated as an independent agency of the federal government since 1993. AmeriCorps members volunteer in the areas of disaster relief, economic opportunity, education, environmental stewardship, community health, and veteran services.² Until the events described in this complaint, AmeriCorps supported more than 200,000 members and volunteers with living stipends and benefits each year and was managed by a staff of approximately 700 employees.³

3. The Administration has begun efforts to dismantle AmeriCorps by releasing members and volunteers, placing most agency staff on administrative leave in anticipation of terminations, and cancelling contracts and grants. On April 15, at the behest of the so-called Department of Government Efficiency (DOGE), AmeriCorps leadership placed all members serving in the National Civilian Community Corps (NCCC) on administrative leave and notified them that their participation in the program “w[ould] terminate” on April 30. *See* Memorandum from Ken Goodson, NCCC National Director, AmeriCorps (Apr. 15, 2025), attached as Ex. A.

4. A cover email to the Goodson Memorandum stated: “In alignment with the Trump-Vance Administration priorities and Executive Order 14222, ‘Implementing the President’s “Department of Government Efficiency” Cost Efficiency Initiative,’ AmeriCorps NCCC is

¹ By regulation, “[t]he Corporation for National and Community Service has adopted AmeriCorps as its official agency operating name.” 45 C.F.R. § 2500.2(a).

working within new operational parameters that impact the program’s ability to sustain program operations.” *See* Letter to All Members on Demobilization (Apr. 15, 2025), attached as Ex. B.

5. The following day, AmeriCorps placed 85% of its paid staff on administrative leave. *See* Email from Jennifer Bastress Tahmasebi to AmeriCorps Board (Apr. 17, 2025), attached as Ex. C; Memorandum from Jennifer Bastress Tahmasebi, Interim Agency Head, AmeriCorps (Apr. 16, 2025), attached as Ex. D.

6. On April 24, AmeriCorps began to issue Reduction in Force (RIF) notices to employees on administrative leave. *See* RIF Notice, attached as Ex. E. News reports indicate that these RIFs will result in cuts to AmeriCorps’ workforce of “up to 50 percent or more.”⁴

7. The following day, after business hours, Defendants began notifying State Service Commissions that nearly \$400 million worth of AmeriCorps programs were immediately terminated.⁵ *See* Cancelled Programs Workbook, attached as Ex. F. Defendants’ notices informed recipients that their programs “no longer effectuate[d] agency priorities”; that they “must immediately cease all award activities”; that “[a]ll member activities should cease immediately”; and that they “should document that [each] member was exited for compelling personal circumstances due to the agency’s termination of the grant and program closure.” *E.g.*, Del. Termination Notice (AmeriCorps State and National), attached as Ex. G; Del. Termination Notice (VISTA), attached as Ex. H.

⁵ Tobi Rajj, *DOGE orders major cut to AmeriCorps funding, imperiling agency’s work*, Wash. Post, April 25, 2025, <https://www.washingtonpost.com/nation/2025/04/25/ameri-corps-grant-cuts-doge/>.

8. These terminations have received bipartisan criticism. U.S. Senator Bill Cassidy (R-La.), for example, “object[ed] to cutting AmeriCorps grants like those that support Louisiana’s veterans and organizations that provide crucial support after hurricanes and natural disasters.”⁶ U.S. Senator Chris Coons (D-Del.), co-chair of the bipartisan National Service Caucus, wrote a letter joined by 148 congressional colleagues that “urge[d] the administration to continue implementing the statutory requirements of the national service laws” and expressed “grave concerns that significant reductions in force will prevent AmeriCorps from being able to effectively and efficiently award appropriated funding to programs operating in communities across the country.”⁷

9. Defendants’ actions reflect and embody an unauthorized decision by the Administration to dismantle AmeriCorps.

10. The Administration’s abrupt decision to dismantle AmeriCorps flouts Congress’s creation of AmeriCorps and assignment of agency duties; usurps Congress’s power of the purse and thereby violates the Constitution’s separation of powers; and arbitrarily and capriciously—without any reasoned analysis—vitiates the agency’s ability to function consistent with its statutory mission and purpose. It also violates a provision of AmeriCorps’ statutory appropriation that requires the agency to make “significant changes to program requirements, service delivery or policy only through public notice and comment rulemaking.” *E.g.*, Further Consolidated Appropriations Act, 2024, Pub. L. 118-47, § 401, 138 Stat. 460, 695 (Mar. 23, 2024).

11. If the Defendants' actions are permitted to stand despite their statutory and constitutional defects, then the gutting of AmeriCorps will inflict immediate and irreparable harms on the Plaintiff States, their residents, and the public at large.

12. The Administration is free to ask Congress to abolish AmeriCorps, but it cannot simply terminate the agency's functions by fiat or defund the agency in defiance of administrative procedures, Congressional appropriations, and the Constitutional separation of powers. Accordingly, the Defendants' actions should be declared unlawful and vacated.

JURISDICTION AND VENUE

13. The Court has jurisdiction over this Complaint under 28 U.S.C. § 1331, 28 U.S.C. § 1361, and 5 U.S.C. § 702.

14. There is a controversy under 28 U.S.C. § 2201(a), and this Court may grant declaratory relief, injunctive relief, and other appropriate relief under 28 U.S.C. §§ 1361, 2201–2202, 5 U.S.C. §§ 704–706 and the Court's equitable powers.

15. Venue is proper in this District because Plaintiff State of Maryland and its Attorney General reside in this District and the other Plaintiffs consent to adjudication of these issues here. Moreover, a substantial part of the acts or omissions giving rise to this action occurred in this District, and this action seeks relief affecting AmeriCorps members and employees who reside in this District.

PARTIES

I. Plaintiffs

16. The State of Maryland is a sovereign state of the United States of America. Maryland is represented by and through its chief legal officer, Attorney General Anthony G. Brown.

II. Defendants

41. Defendant Corporation for National and Community Service, operating as AmeriCorps, is an executive agency of the United States pursuant to 5 U.S.C. § 105. As such, it engages in agency action and is named as a defendant in this action pursuant to 5 U.S.C. § 702.

42. Defendant Jennifer Bastress Tahmasebi is the interim agency head of AmeriCorps. She is named in her official capacity.

FACTUAL ALLEGATIONS

III. AmeriCorps' History, Structure, and Programs

a. Statutory History

43. The Corporation for National and Community Service (AmeriCorps) traces its origins back to the Domestic and Volunteer Service Act of 1973, Pub. L. 93-113, § 401, 87 Stat. 394, 405 (Oct. 1, 1973) (the 1973 Act). The 1973 Act created Volunteers in Service to America (VISTA), a “program of full-time volunteer service” designed “to strengthen and supplement efforts to eliminate poverty and poverty-related human, social, and environmental problems in the United States.” *Id.* § 101, 87 Stat. at 396. The 1973 Act also created several National Older American Volunteer Programs, including the Retired Senior Volunteer Program (RSVP), *id.* § 201, 87 Stat. at 401, and the Foster Grandparent Program, *id.* §§ 211–212, 87 Stat. at 402–03. Congress established an entity known as the ACTION Agency to operate these programs. *Id.* § 401, 87 Stat. at 405.

44. Later, Congress enacted the National and Community Service Act of 1990, Pub. L. 101-610, § 190, 104 Stat. 3127, 3168 (Nov. 16, 1990) (the 1990 Act), to establish a Commission on National and Community Service. The Commission administered grant programs authorized by the 1990 Act to support, among other things, school-aged service, *id.* § 111, 104 Stat. at 3132;

youth conservation and human service corps, *id.* § 121, 104 Stat. at 3140; and full- and part-time national and community service, *id.* § 141, 104 Stat. at 3150.

45. Congress then formed AmeriCorps by merging the Commission and the ACTION Agency under the National and Community Service Trust Act of 1993, Pub. L. 103-82, §§ 191 & 203(c)(2), 107 Stat. 785, 873, 892 (Sept. 21, 1993) (the 1993 Act) (codified at 42 U.S.C. §§ 12501 et seq.); 42 U.S.C. § 12651.

46. Congress created AmeriCorps and its predecessors in order to (among other things) “renew the ethic of civic responsibility and the spirit of community and service throughout the varied and diverse communities of the United States,” 42 U.S.C. § 12501(b)(2); “build on the existing organizational service infrastructure of Federal, State, and local programs, agencies, and communities to expand full-time and part-time service opportunities for all citizens,” *id.* § 12501(b)(7); “leverage Federal investments to increase State, local, business, and philanthropic resources to address national and local challenges,” *id.* § 12501(b)(17); and “support institutions of higher education that engage students in community service activities and provide high-quality service-learning opportunities.” *Id.* § 12501(b)(18).

b. Agency Structure

47. AmeriCorps is a Government corporation, 42 U.S.C. § 12651, led by a Board of Directors, *id.* § 12651a, and a Chief Executive Officer (CEO). *Id.* § 12651c.

48. Members of AmeriCorps’ Board and its CEO both are appointed by the President with the advice and consent of the Senate. *Id.* §§ 12651a(a)(1) & 12651c(a).

49. By statute, AmeriCorps’ Board is at least bipartisan: “To the maximum extent practicable, the President shall appoint members . . . so that no more than 50 percent of the

appointed members of the Board, plus 1 additional appointed member, are from a single political party.” *Id.* § 12651a(a)(2)(E).

50. AmeriCorps’ Board “set[s] overall policy for the Corporation” and “review[s] and advise[s] the Chief Executive Officer regarding, the actions of the Chief Executive Officer with respect to the personnel of the Corporation, and with respect to such standards, policies, procedures, programs, and initiatives as are necessary or appropriate to carry out the national service laws.” *Id.* § 12651b(g)(5)(A).

51. AmeriCorps’ CEO is “responsible for the exercise of the powers and the discharge of the duties of the Corporation that are not reserved to the Board,” and “ha[s] authority and control over all personnel of the Corporation.” *Id.* § 12651d(a).

52. The CEO also “may . . . generally perform such functions and take such steps consistent with the objectives and provisions of the national service laws, as the Chief Executive Officer determines to be necessary or appropriate to carry out such provisions.” *Id.* § 12651d(c)(11).

c. Agency Programs

53. AmeriCorps directly operates several service programs—notably, the National Civilian Community Corps—but most of its funding goes to support programs independently operated by State and local governments, nonprofit organizations, and universities.

54. AmeriCorps supports service programs through direct grants; pass-through grants, which are awarded to State Service Commissions⁸ for the purpose of distributing to subgrantees; and education awards.

⁸ To receive AmeriCorps funding, the 1993 Act requires each State either to (a) create a State Commission on National and Community Service, or (b) obtain approval from AmeriCorps

55. AmeriCorps education awards are provided to volunteers (rather than to programs), *id.* § 12602(a), in an amount “equal to the maximum amount of a Federal Pell Grant,” *id.* § 12603(a), and may be used to, among other things, “repay student loans” or “pay all or part of the cost of attendance or other educational expenses at an institution of higher education.” *Id.* § 12604(a)(1)–(2).

56. AmeriCorps education awards are paid out of the National Service Trust, a Treasury account that consists of, among other things, appropriated funds that have been designated for that purpose. *Id.* § 12601(a).

57. In addition to education awards, AmeriCorps also funds benefits such as living allowances, health coverage, and childcare for full-time members to enable their uncompensated volunteer work. *See id.* § 4955; *id.* § 12594(a), (d), & (e).

58. Programs directly operated by AmeriCorps include:

- a. National Civilian Community Corps (Title I-E of the 1993 Act), a full-time residential program for young adults (aged 18–26) who live together for 10–11 months while working on service projects such as maintaining trails, constructing homes, and disaster relief. *Id.* § 12612; *see also* National Defense Authorization Act for FY 1993, PL 102-484, § 1092, 106 Stat. 2315, 2522 (Oct. 23, 1992)

“to use an alternative administrative entity to carry out the duties otherwise entrusted to a State Commission.” 42 U.S.C. § 12638(a)(1)–(2). In Plaintiff State Maryland, for example, AmeriCorps pass-through grants are allocated by the Governor’s Office on Service and Volunteerism within the Department of Service and Civic Innovation.

Certain Plaintiff States—Massachusetts, Minnesota, and Nevada—have designated private nonprofit groups to serve as their State Service Commissions under 42 U.S.C. § 12638(a)(2). *See* AmeriCorps, *State Service Commissions*, <https://www.americorps.gov/contact/state-service-commissions> (last accessed Apr. 21, 2025). Notwithstanding that the administrative entities for those States are private nonprofits, competitive and formula grants administered by those entities are “ma[de] . . . to each of the several States.” *See* 42 U.S.C. § 12581(d)(1) & (e)(1).

(creating NCCC’s predecessor, the Civilian Community Corps, to “combine the best practices of civilian service with the best aspects of military service”).

- b. Volunteers in Service to America (Title I-A of the 1973 Act), the “program of full-time volunteer service” formerly administered by the ACTION Agency. 42 U.S.C. § 4951. Members “perform . . . volunteer service” to “assist in the solution of poverty and poverty-related problems and secure and increase opportunities for self-advancement by persons affected by such problems.” *Id.*
59. Grant programs through which AmeriCorps provides funding include:
- a. AmeriCorps State and National Grants (Title I-C of the 1993 Act; Title I-D of the 1990 Act), which “make grants to States, subdivisions of States, territories, Indian tribes, public or private nonprofit organizations, and institutions of higher education for the purpose of assisting the recipients of the grants—(1) to carry out full- or part-time national service programs, including summer programs . . . ; and (2) to make grants in support of other national service programs . . . that are carried out by other entities.” *Id.* § 12571(a). 35.3% of State and National Grants are awarded to State Service Commissions on a formula basis to provide pass-through funding to service programs, *id.* § 12581(e)(2); most of the remainder are awarded “on a competitive basis” to States as well as “to nonprofit organizations seeking to operate a national service program in 2 or more of those States, and to Indian tribes.” *Id.* § 12581(d)(1). Types of programs supported include Education Corps, Veterans Corps, and Opportunity Corps. *Id.* § 12572(b)–(c).

- b. Innovation and Demonstration Programs (Title I-H of the 1993 Act; Title I-E of the 1990 Act; Title I-C of the 1973 Act), which support various pilot programs, *see, e.g., id.* § 12653k, and “demonstration programs.” *See, e.g., id.* § 4992(a).
- c. National Older American Volunteer Programs (Title II of the 1973 Act):
 - i. Retired and Senior Volunteer Program (Title II-A of the 1973 Act), which “make[s] grants to State agencies . . . or grants to or contracts with other public and nonprofit private agencies and organizations to pay part or all of the costs for the development or operation, or both, of volunteer service projects” for “retired individuals and working older individuals . . . 55 years of age or older.” *Id.* § 5001(a).
 - ii. AmeriCorps Seniors’ Foster Grandparent Program (Title II-B of the 1973 Act), through which “foster grandparents” provide one-on-one tutoring and mentorship “to children who are individuals with disabilities, who have chronic health conditions, who are receiving care in hospitals, who are residing in homes for dependent and neglected children, or who are receiving services provided . . . for children having special or exceptional needs or circumstances identified as limiting their academic, social, or emotional development.” *Id.* § 5011(a).
 - iii. AmeriCorps Seniors’ Senior Companion Program (Title II-C of the 1973 Act), through which volunteers “provide services designed to help older persons requiring long-term care, including services to persons receiving home health care, nursing care, home-delivered meals or other nutrition services; services designed to help persons deinstitutionalized from mental

hospitals, nursing homes, and other institutions; and services designed to assist persons having developmental disabilities and other special needs for companionship.” *Id.* § 5013(a).

60. Each year, AmeriCorps is responsible for drafting Notices of Funding Opportunities (NOFO) that provide public notice of each grant it plans to award, including funds that AmeriCorps is statutorily required to allocate to the Plaintiff States. 2 C.F.R. § 2205.100; *id.* § 200.204 (requiring NOFOs for competitive awards and setting minimum content.)

61. For FY 2024, Congress appropriated AmeriCorps \$975,525,000 “to carry out” the 1990 and 1973 Acts (including \$37,735,000 for NCCC); \$180,000,000 “[f]or payment to the National Service Trust”; \$99,686,000 “[f]or necessary expenses of administration” (i.e., employee salaries); and \$7,595,000 “[f]or necessary expenses of [AmeriCorps’] Office of Inspector General,” for a total of \$1,262,806,000. Further Consolidated Appropriations Act, 2024, div. D, tit. IV, 138 Stat. at 694–95.

62. For FY 2024, Congress directed that AmeriCorps allocate the funds appropriated “to carry out” the 1990 and 1973 Acts as follows, 170 Cong. Rec. H2060–61 (Mar. 22, 2024):

Program	Amount	Percentage

63. Congress also provided that AmeriCorps “shall make any significant changes to program requirements, service delivery or policy only through public notice and comment rulemaking.” Further Consolidated Appropriations Act, 2024 § 401, 138 Stat. at 695.

64. For FY 2025, Congress reappropriated the amounts from the FY 2024 appropriations act, “under the authority and conditions provided in” that Act. Full-Year Continuing Appropriations Act, 2025, Pub. L. 119-4, § 1101(a)(8), 139 Stat. 9, 11 (Mar. 15, 2025).

65. The only material basis identified by statute for which AmeriCorps may cancel a grant it has awarded to a State is if it determines “there is a material failure to comply with this subchapter or the applicable terms and conditions of any such grant or contract issued pursuant to this subchapter.” 42 U.S.C. § 12636(a). Furthermore, by statute, grants “shall not be terminated or revoked for failure to comply with applicable terms and conditions of this subchapter unless the recipient of such assistance has been afforded reasonable notice and opportunity for a full and fair hearing” at a location convenient to the grantee, and the opportunity to demonstrate. *Id.* § 12636(a)–(b).

66. Under applicable regulations, AmeriCorps must give a grantee 7 days’ notice of proposed cuts, during which it may submit “written material in opposition to the proposed action” that shows “good cause why such assistance should not be terminated or revoked.” 45 C.F.R. § 2540.400 (“Under what circumstances will the Corporation suspend or terminate a grant or contract?”).

d. Other Statutory Duties

67. In addition to authorizing AmeriCorps' programs, the statutes impose various affirmative duties upon the agency and its officials:

- a. AmeriCorps' CEO "shall establish and maintain a decentralized field structure that provides for an office of the Corporation for each State."⁹ 42 U.S.C. § 12651h.
- b. AmeriCorps "shall establish a Nonprofit Capacity Building Program to make grants to intermediary nonprofit organizations to serve as intermediary nonprofit grantees." *Id.* § 12653s(b).
- c. AmeriCorps "shall, directly or through grants, contracts, or cooperative agreements (including through State Commissions), conduct appropriate training for and provide technical assistance to—(1) programs receiving assistance under the national service laws; and (2) entities (particularly entities in rural areas and underserved communities) that desire to—(A) carry out or establish national service programs; or (B) apply for assistance (including subgrants) under the national service laws." *Id.* § 12657.
- d. AmeriCorps "shall provide assistance, by grant, contract, or cooperative agreement, to entities with expertise in the dissemination of information through clearinghouses to establish 1 or more clearinghouses for information regarding the

⁹ Although Congress directed that AmeriCorps maintain an office "for each State," and that the office must be "located in, or in reasonable proximity to," the state, 42 U.S.C. § 12651h, during the first Trump Administration AmeriCorps closed the state offices and replaced them with eight regional offices. AmeriCorps, *Transformation and Sustainability Plan 6* (June 6, 2018), <https://americorps.gov/sites/default/files/documents/20180606CNCSTransformationandSustainabilityFinal.pdf>; 45 C.F.R. § 2500.12. national service laws, which shall include information on service-learning and on service through other programs receiving assistance under the national service laws.” *Id.* § 12653o.

- e. AmeriCorps “shall establish a Social Innovation Funds grant program to make grants on a competitive basis to eligible entities for Social Innovation Funds.” *Id.* § 12653k(d).

68. With respect to the VISTA program, specifically, the 1973 Act requires AmeriCorps to “grant assistance . . . on the basis of merit and to accomplish the goals of the VISTA program.” *Id.* § 4960.

69. Finally, when Congress merged the Commission and the ACTION Agency into AmeriCorps, it required the new entity to “expend at least the level of effort on recruitment and public awareness activities related to the programs carried out under the Domestic Volunteer Service Act of 1973 (42 U.S.C. [§] 4950 et seq.) as ACTION expended on recruitment and public awareness activities related to programs under the Domestic Volunteer Service Act of 1973 during fiscal year 1993.” *Id.* § 12651d(g)(1).

e. Current Competitive Grant Process

70. AmeriCorps issued its NOFO for Fiscal Year 2025 AmeriCorps State and National Competitive Grants on or about August 19, 2024. NOFO, FY 2025 AmeriCorps State and National Grants, *available* *at*

https://americorps.gov/sites/default/files/document/2025_ASNCompetitiveNOFO_August19.508

0.pdf. This NOFO concerned the approximately 62.7% of AmeriCorps State and National Grants that are awarded on a competitive basis.¹⁰ *See* 42 U.S.C. § 12581(d)(1).

71. Plaintiff States' Service Commissions submitted their applications for competitive grants on or before January 23, 2025. The state applications consist of hundreds of sub-applications from nonprofit organizations and local government agencies that were themselves selected by the States through a competitive process.

72. The NOFO outlines a comprehensive application review procedure whereby:

a. AmeriCorps does an initial compliance and eligibility check for each application.

Id. at 23.

b. A team of external reviewers substantively evaluates each application using 11 weighted criteria, including an explanation of the community problem and how the proposed intervention will result in measurable outputs; documented evidence to support the program design; member experience; host organization capability,

¹⁰ Other competitive AmeriCorps grants, such as Seniors RSVP grants and Volunteer Generation Fund grants, are awarded through a similar process. *See, e.g.*, NOFO, FY 2025 AmeriCorps Seniors RSVP Competition, https://americorps.gov/sites/default/files/document/FY25RSVPNOFO_508_9.5.24_0.pdf;

For formula-based grants such as State Commission Support Grants and 35.3% of State and National Grants, AmeriCorps allocates an amount equivalent to the ratio that “the population of the State bears to the total population of the several States, the District of Columbia, and the Commonwealth of Puerto Rico.” 42 U.S.C. § 12581(e)(2); *see, e.g.*, Memorandum re Instructions for Being Awarded Fiscal Year 2024 Commission Support Grant and Commission Investment Fund Grants Allocations via Round Two (June 21, 2024), <https://americorps.gov/sites/default/files/document/FY%202024%20CSG-CIF%20Round2%20Commission%20Guidance.508.pdf>; Memorandum re Fiscal Year 2024 Formula Guidance for State Commissions (Mar. 1, 2024), <https://americorps.gov/sites/default/files/document/FY%202024%20Formula%20Guidance.pdf>.

staffing, supervision, and “commitment to diversity, equity, inclusion, and accessibility”; and program budget and cost effectiveness. *Id.* at 18–24.

- c. AmeriCorps internally reviews each application, consults with State Service Commissions, and checks for budget compliance and the presence of prohibited activities. *Id.* at 24.
- d. AmeriCorps conducts a post-review quality control that evaluates the initial results for fairness and consistency. *Id.*
- e. Prior to awarding a grant, AmeriCorps performs a risk assessment of each organization, which considers financial compliance and past performance indicators. *Id.* at 24–25.
- f. AmeriCorps engages interactively with applicants to request additional information or resolve problems with the applications. *Id.* at 26.

73. In the NOFO, AmeriCorps announced that it would complete this process for State and National Competitive Grants applications and notify successful applicants by “mid-April 2025.” *Id.* at 1.

74. AmeriCorps has not yet notified the Plaintiff States of the results of their competitive grant applications.

75. Plaintiff States need to know the results of the competitive grant awards so that they can determine which projects will need funding from their formula-based AmeriCorps State and National Grants.

76. Plaintiff States consistently competed for and won competitive State and National Grants in the past, relied upon the resulting awards, and intended to apply again in the future.

77. AmeriCorps requires States to submit their complete formula applications by June 13 or July 11 (depending on projects' start dates).¹¹

IV. AmeriCorps' Presence in Plaintiff States

78. As noted above, much of AmeriCorps' funding goes toward AmeriCorps State and National, which provides grants to many agencies and instrumentalities of Plaintiff States. Members and volunteers under AmeriCorps' other programs also serve on projects and programs in each of Plaintiff States.

a. Maryland

79. In Plaintiff State of Maryland, the State Service Commission that manages AmeriCorps grants is the Governor's Commission on Service and Volunteerism (Maryland Governor's Commission). The Maryland Governor's Commission was created in 1994 to review and approve all AmeriCorps State funding and to serve as a body of ambassadors for service and volunteerism in local communities. The Maryland Governor's Commission is administered by the Governor's Office on Service and Volunteerism, which is itself part of the Maryland Department of Service and Civic Innovation (DSCI).

80. In FY 2024, the Maryland Governor's Commission managed more than \$6.2 million in federal funding from AmeriCorps: \$4.2 million in AmeriCorps State Grants, \$1.1 million in AmeriCorps State Planning Grants (which assist Maryland-based entities in developing national service programs),¹² \$389,181 in State Commission Operations Support Grants (which

¹² See 2024 Terms and Conditions for AmeriCorps State and National Grants 2, <https://americorps.gov/sites/default/files/document/2024ASNProgram508TC.pdf>.

support the Governor's Commission in performing its duties under 45 C.F.R. § 2550.80),¹³ and \$530,759 in State Commission Investment Fund Grants (which cover training and technical assistance).¹⁴

81. That year, AmeriCorps State and National Planning Grants supported 25 service programs across Maryland, such as Civic Works Service Corps, Maryland Refugee Corps (operated by the International Rescue Committee), Maryland Reading Corps, Teach for America Maryland, City Teaching Alliance–Baltimore, and HabiCorps (operated by Habitat for Humanity of the Chesapeake). These programs worked across 174 locations and involved 672 participants. Federal funding partially or fully supported more than 80 program staff members.

82. In total, in FY 2024, AmeriCorps provided more than \$21 million in funding and education awards to support all projects and programs within Maryland.¹⁵

83. That year, 4,949 AmeriCorps members and volunteers served on all projects and programs within Maryland.¹⁶

84. AmeriCorps supports numerous service programs that are directly operated by Maryland public entities. Several State universities in Maryland operate AmeriCorps programs, which place hundreds of members at local schools and organizations. The Maryland Park Service

¹⁶ *Id.*

also collaborates with AmeriCorps to operate the Maryland Conservation Corps, which supports public parks and natural resource management across the State.

85. For example, Salisbury University (located on Maryland's Eastern Shore) runs a robust AmeriCorps program known as ShoreCorps. During the current service year (August 2024–August 2025), ShoreCorps enrolled 178 members, who as of April 2025 have collectively provided approximately 53,000 hours of service at 57 government and nonprofit entities across the rural Eastern Shore. ShoreCorps members collectively have managed 1,164 volunteers and provided services for 517 youths and 1,557 adults.

86. This year, Salisbury was awarded \$490,538 by AmeriCorps to operate ShoreCorps. The federal funding covers salaries for ShoreCorps' full-time staff; stipends and benefits for members; and other program costs.

87. In addition, Salisbury relies on ShoreCorps in several other ways:

- a. Many ShoreCorps members serve at the university itself, by volunteering at Food for the Flock (the campus food pantry), the Office of Student Support Services (which mentors first-generation and vulnerable students), or Sammy's Stash (which provides professional attire to students for interviews, internships, and jobs), or by participating in the Presidential Citizen Scholars Program (which partners with local government to research and act on community needs).
- b. Many ShoreCorps members pay university tuition with AmeriCorps education awards supported by the National Service Trust. In 2024, \$118,061 in Salisbury University tuition was paid using AmeriCorps education awards.
- c. Salisbury relies on ShoreCorps to expand its presence in and partnership with the community. By placing ShoreCorps members with organizations in the area, the

university creates lasting partnerships and fosters positive marketing that helps to recruit future students.

- d. The ShoreCorps program is a key element of Salisbury's overall identity, mission, and strategic plan. ShoreCorps is the largest AmeriCorps program in Maryland, and has received multiple awards recognizing its enormous service contribution on the eastern shore of Maryland. Indeed, the current University strategic plan has an explicit focus on increased engagement with the community, relying on ShoreCorps as a cornerstone of that effort.

88. Frostburg State University in Western Maryland also operates an AmeriCorps program, Appalachian Service Through Action and Resources (ASTAR), which has existed since 1994.

89. This year, ASTAR recruited and enrolled 59 AmeriCorps members to serve in western Maryland. ASTAR placed members at ten organizations this year, including food banks, an educational farm, and Special Olympics Maryland. ASTAR also placed members at over 15 elementary, middle, and high schools through Frostburg's Education Department. ASTAR members assist their organizations with such diverse tasks as developing and implementing new and engaging lesson plans in schools, developing engaging experiential learning trips, providing food to the local community, expanding programming for special needs athletes, and providing resources for marginalized communities in Western Maryland.

90. Like Salisbury, Frostburg relies on AmeriCorps support in several ways:

- a. ASTAR members routinely serve at the university. Currently, ASTAR has enrolled members serving at Frostburg's Center for Literary Arts, the Children's Literature Center, the PAWS Pantry (a student food bank), and the Biology Department.

- b. Many ASTAR members use their education awards to pay university tuition. Of the current ASTAR members who are expected to receive education awards, 11 are enrolled Frostburg students; they are expected to use most or all of their \$20,000 in education awards to pay tuition at Frostburg.
- c. By placing ASTAR members with local organizations, Frostburg fosters partnerships and develops a positive public image within the community. These efforts, in turn, assist Frostburg with marketing and recruiting.

91. A third public university, the University of Maryland, Baltimore County (UMBC), operates The Choice Program, a mentoring, diversion, and workforce development program for young people under the supervision and care of the Maryland Department of Juvenile Services.

92. The Choice Program directly receives a small amount of federal AmeriCorps funding—just over \$12,000 this year—that allows it to obtain a far larger grant from Maryland’s Department of Juvenile Services. The Choice Program also relies on AmeriCorps’ education awards, in conjunction with State grant money, to attract members without the need for federally-provided stipends. Through this combination of funding, the Choice Program can advance the education of at-risk youth at lower cost to both the State and federal governments.

93. In this fiscal year, the Choice Program’s ten members provided 2,241 hours of service to 252 young people. The Choice Program’s members provide in-person support to youths and their families across Maryland, including by accompanying children to sporting events, museums, and community service activities.

94. Many of the Choice Program’s members are UMBC students, who apply their AmeriCorps education awards to pay tuition at UMBC or other Maryland public universities.

95. Along with the State universities, the Maryland Park Service (MPS) receives support from AmeriCorps. MPS operates the Maryland Conservation Corps (MCC), which was established in 1984 to mobilize young adults in intensive environmental conservation efforts that preserve, protect, enhance, and restore Maryland's natural resources.

96. In the 2023–2024 service year alone, MCC members improved thousands of acres of public lands; restored hundreds of miles of trails and waterways across Maryland; provided environmental education programs to more than 28,000 students, youth, and park visitors; and helped respond to wildfires and clean up park facilities and trails after major storms.

97. This year, MCC received \$922,079 from AmeriCorps to support 42 full-time members who serve in state parks and natural resource management areas across Maryland.

98. Finally, along with funding, AmeriCorps provides members and programmatic support to assist service programs operated by State instrumentalities in Maryland.

99. For example, five VISTA members currently are placed with DSCI and provide critical capacity to support DSCI's mission of promoting service and volunteerism in Maryland. Their living stipends are paid directly by AmeriCorps.

b. Delaware

100. In Plaintiff State of Delaware, the State Service Commission is the Governor's Commission on Community and Volunteer Service (Delaware Governor's Commission). Established in 1994, the Delaware Governor's Commission is charged with administering federally sponsored national service programs.

101. The Delaware Governor's Commission receives and manages Prime Grants from AmeriCorps, awards and disburses subgrants from the Primes, monitors subgrantees for

performance and compliance with grant requirements, provides training and technical assistance for subgrantees, and functions as liaison between AmeriCorps and subgrantees.

102. In FY 2024, the Delaware Governor's Commission administered nearly \$1.5 million in federal funding from AmeriCorps: \$837,187 million in AmeriCorps State Grants, \$103,140 in AmeriCorps State Planning Grants, and \$507,086 in State Commission Operations Support and State Commission Investment Fund Grants.

103. The Delaware Governor's Commission manages two separate types of AmeriCorps State Grants:

- a. *Competitive grants* (approximately two-thirds of AmeriCorps State Grants): The Delaware Governor's Commission issues Requests for Proposals (RFPs) that are based on federal Notices of Funding Opportunity issued by AmeriCorps. Grant applicants submit application materials in response to the RFPs, and AmeriCorps exercises its discretion in approving grant applications.
- b. *Formula grants* (approximately one-third of AmeriCorps State Grants): The Delaware Governor's Commission receives Congressionally appropriated money from AmeriCorps and itself selects the subgrantees for this money. The Delaware Governor's Commission issues RFPs, but these are not based on federal NOFOs.

104. Currently, the Delaware Governor's Commission manages grants for ten subgrantees, namely, the Children's Beach House, West End Neighborhood House, Leading Youth Through Empowerment, Literacy Delaware, Reading Assist Institute, TeenSHARP, SummerCollab, Family Promise, Spur Impact, and We Prosper Family Organization.

105. Subgrantees use the funds they receive from AmeriCorps Delaware to run programs to benefit Delawareans. The money is used to recruit, manage, pay, and train AmeriCorps

members and handle program operations and costs, monitor and support host sites to ensure compliant and effective service.

106. Many subgrantees then post AmeriCorps members at partner organizations called host sites. The host sites typically pay a fee to a subgrantee for member placement, provide service sites for members and supervise regular service, and verify hours and performance measures.

107. Through this arrangement, AmeriCorps Delaware currently funds 119 AmeriCorps volunteers throughout Delaware.

108. In total, in FY 2024, AmeriCorps provided more than \$6.6 million in funding and education awards to support all projects and programs within Delaware.¹⁷

109. That year, 1,322 AmeriCorps members and volunteers served on all projects and programs within Delaware.¹⁸

110. AmeriCorps also supports service programs that are directly operated by Delaware public entities.

111. For example, the State of Delaware's Department of Health and Social Services sponsors and funds the Delaware Foster Grandparent Program under an AmeriCorps Seniors Grant. This program funds and organizes over 50 volunteers in Delaware who help children gain skills and confidence to succeed in school, tutor students in literacy or math, and support improvement in social and emotional skills.

c. California

¹⁷ AmeriCorps, *2024 Year in Review—Delaware*, https://americorps.gov/sites/default/files/upload/state_profiles/pdf_2025/DE_Combined.pdf.

¹⁸ *Id.*

112. California Volunteers—part of the Governor’s Office of Service and Community Engagement—is the State Service Commission that manages AmeriCorps grants on behalf of Plaintiff State of California. Reflecting California’s population, it is the largest State Service Commission both in terms of volunteer numbers and financial awards.

113. For the current cycle, California Volunteers manages 90 programs supported by AmeriCorps State and National Grants, involving 6,902 participants at over 1,800 locations. AmeriCorps provides over \$62 million in funding for these projects.

114. One such program is Prevent Child Abuse California, which hosts 65 AmeriCorps members who provide academic assistance, life skills, and financial literacy to hundreds of foster youths across 15 counties. This program is supported by \$1.16 million in AmeriCorps funding and \$886,000 in matching funds.

115. Another program managed by California Volunteers is the Partnership for Veterans and People Experiencing Homeless, which hosts 25 AmeriCorps members that provide housing services, job placement, and case management to veterans and homeless individuals in Santa Barbara County. This program is supported by \$675,000 in AmeriCorps funding and \$812,000 in matching funds.

116. A third program managed by California Volunteers is Reading Partners California, which hosts 80 AmeriCorps members who recruit and manage approximately 1400 volunteers to provide one-on-one literacy tutoring to students at 58 low-income elementary schools. This program is supported by \$2 million in AmeriCorps funding and \$2.4 million in matching funds.

117. California communities also benefit from the services provided by members in other AmeriCorps programs, such as VISTA, RSVP, Foster Grandparents, and—until recently—NCCC. In fiscal year 2024, AmeriCorps funded 254 additional service projects in California

through these programs, covering 12,173 participants at 1,352 locations. AmeriCorps members participating under these programs provide incalculable services to California communities, from education to environmental stewardship, disaster relief to tax preparation.

118. The NCCC Pacific Region campus is located in Sacramento, California. In 2024, the campus hosted 142 AmeriCorps members. An additional 388 AmeriCorps members from across the country were deployed to 47 service locations in California.

119. In total, in FY 2024, AmeriCorps provided nearly \$133 million in funding and education awards to support all projects and programs within California.¹⁹

120. One of eight AmeriCorps regional offices is located in Los Angeles, California.

121. For the coming grant cycle (FY 2025), California Volunteers held its own competitive application process in the fall to select programs for its AmeriCorps State and National competitive grants application, which it then submitted to AmeriCorps in January. In this application, California Volunteers requested funding up to \$42 million to support 35 programs covering 2,758 proposed AmeriCorps members, plus an additional \$6,471,487 in continuation grant funds to support 5 programs and 293 AmeriCorps members.

122. Once California Volunteers receives its competitive awards, it will allocate funds from California's formula grant to support projects that were not funded under the competitive grant. California also has grant funds allocated for Commission Support and a Commission Investment Fund.

123. The majority of California Volunteers' AmeriCorps projects are school-based, either providing services to K–12 students or utilizing AmeriCorps members who are in college

¹⁹ AmeriCorps, *2024 Year in Review—California*, https://www.americorps.gov/sites/default/files/upload/state_profiles/pdf_2025/CA_Combined.pdf.

(College Corps). These programs must begin by mid-August, prior to the school year. However, members cannot be enrolled or funded until the final award is approved by AmeriCorps and fully executed. In past years, California has had to submit its formula grant application by mid-June to ensure timely processing by AmeriCorps.

d. Colorado

124. In Plaintiff State of Colorado, AmeriCorps grants are managed by Serve Colorado, a state government office housed within the Office of the Lieutenant Governor.

125. Serve Colorado receives and manages grant funds from AmeriCorps, awards and disburses subgrants, monitors subgrantees for performance and compliance with grant requirements, provides training and technical assistance for subgrantees, and functions as a liaison between AmeriCorps and subgrantees.

126. Serve Colorado currently manages 34 grants for AmeriCorps State and National subgrantees, including nonprofit organizations, local governments, and institutions of higher education in urban, rural, and mountain towns across Colorado. Subgrantees use the funds they receive from Serve Colorado to run programs to benefit Coloradans by recruiting, managing, paying, and training AmeriCorps members, handling program operations and costs, and monitoring and supporting subgrantees.

127. In 2024 alone, Serve Colorado's subgrants supported nearly 1,400 AmeriCorps members who contributed over one million hours of service across all 64 Colorado counties. Those members supported nearly 20,000 students, treated over 2,100 acres of public land, restored over 800 miles of trail, and provided human services to 27,000 people.

128. Since 2015, Serve Colorado has awarded nearly \$102 million in AmeriCorps grants and has enlisted nearly 12,000 AmeriCorps members in service to the State of Colorado.

e. Other States

129. Other Plaintiff states similarly rely on AmeriCorps funds to support community-oriented projects and initiatives. Except for South Dakota, all fifty states (as well as Puerto Rico and the U.S. Virgin Islands) have established State Service Commissions to administer AmeriCorps funds for the benefit of their citizens and communities.²⁰

130. In Arizona, for example, the Governor's Office of Youth, Faith, and Family's Commission on Service & Volunteerism administers AmeriCorps grants. In FY 2024, the Commission administered federal grants funding over 1,500 AmeriCorps members providing services in the State. AmeriCorps also directly funded an additional 3,280 members and volunteers in Arizona. In total, the federal investment was \$18.3 million. The Commission manages seven Prime Grants. Three are through competitive funding, while four are formula Primes. Across these grants, the Commission manages grants for 26 subgrantees. Since 1994, more than 28,000 Arizona residents have contributed nearly 30 million hours of service and earned education awards totaling more than \$78.5 million.

131. The Serve Illinois Commission on Volunteerism and Community Service (Serve Illinois), which is administered by the Illinois Department of Human Services, manages grants for 33 subgrantees, which in turn serve 33 programs. In Program Year 2024, Serve Illinois received and managed \$28,992,935 in federal funding through these grants. For these grants managed by Serve Illinois, there are approximately 714 members. These members serve in areas that seek to expand economic opportunity, in education, in areas designed to improve health futures, in areas designed to aid in environmental stewardship, and in areas to aid veterans and military families

²⁰ See AmeriCorps, *State Service Commissions*, <https://www.americorps.gov/contact/state-service-commissions> (last accessed Apr. 21, 2025).

throughout State of Illinois. For example, these members serve at the Boys and Girls Clubs of Chicago, Dundee Township, Elgin, and Livingston County; at the Greater Chicago Food Depository; at the Association House of Chicago; at Youth and Opportunity United; and at Literacy Volunteers of Illinois, among others. AmeriCorps' impact on Illinois is substantial and wide-ranging—in total, in 2024 there were 9,447 members and volunteers at 1,111 service locations.²¹

132. In Kentucky, the Serve Kentucky Commission—attached to the Cabinet for Health and Family Services—awards and manages between \$10 million and \$15 million in AmeriCorps funds each year. Serve Kentucky disburses AmeriCorps funds to such programs as the Christian Appalachian Project, through which members provide housing development and repair, emergency utility and crisis assistance, hunger relief, affordable clothing, infant and toddler care, and pre-school, afterschool and summer education; Family Resource and Youth Services Centers, which employ 73 people who tutor students in literacy and provide basic needs support to kids; and Kentucky Health Corps, which provides healthcare support in the area of memory care, skilled nursing, and assisted living to seniors and people with disabilities in healthcare facilities.

133. The Maine Commission for Community Service manages grants for 8 subgrantees, including Maine Conservation Corps, Alpha Legal Foundation, Main Street Skowhegan, White Pine Programs, Greater Portland Council of Governments, Food for All, and Hospice Volunteers of Somerset County.

²¹ See AmeriCorps, *2024 Year in Review—Illinois*, https://americorps.gov/sites/default/files/upload/state_profiles/pdf_2025/IL_Combined.pdf (last accessed April 25, 2025).

134. In Massachusetts, the State Service Commission that manages AmeriCorps grants is the Massachusetts Service Alliance. Its predecessor was the Massachusetts National and Community Service Commission, established by Governor William F. Weld in 1994. In 2006, Governor Mitt Romney designated a charitable corporation, the Massachusetts Service Alliance, Inc., as an “alternative administrative entity” for purposes of 42 U.S.C. § 12638(a)(2) and subject to the requirements of 42 U.S.C. § 12638. This designation as an alternative administrative entity may be revoked at any time by the Governor of Massachusetts by further Executive Order. Massachusetts’s State Service Commission monitors and evaluates the implementation of AmeriCorps state programs in Massachusetts. In FY 2024, Massachusetts’s State Service Commission was awarded more than \$23 million in AmeriCorps funding to support programs across the state. The AmeriCorps programs in Massachusetts include programs for the City of Boston and the City of Lawrence, and a program at Framingham State University, a public state university in Massachusetts. The Framingham State University program supported by AmeriCorps is the Framingham Teacher Residency program, which provides a residency model for those looking to begin their careers in teaching, and supports residents who commit to teaching in Framingham Public Schools for a minimum of three years.

135. The Michigan Community Service Commission (MCSC) manages grants for 32 subgrantees funded with AmeriCorps grants engaged in the areas of disaster services, public safety, public health, education, economic mobility, workforce development, youth services, and climate resiliency across Michigan. For fiscal year 2024, MCSC had over \$30 million dollars available in AmeriCorps grant funding.

136. In Minnesota, the State Legislature established the Minnesota Commission on National and Community Service (“MCNCS”) in 1994 to administer, inter alia, the federal

AmeriCorps Program in Minnesota. In 2002, the Minnesota Legislature approved MCNCS becoming a 501(c)(3) nonprofit organization known as ServeMinnesota, with the broader mission of advancing national service and volunteerism across Minnesota. As such, ServeMinnesota is responsible for administering federal AmeriCorps funds to programs throughout Minnesota. ServeMinnesota disburses allocated AmeriCorps funds through a competitive grantmaking process to eligible entities to provide critical support such as environmental, education, and community building resources for Minnesota and its residents.

137. Nevada Volunteers is the State Service Commission that administers AmeriCorps State and National Grants on behalf of Nevada. An independent nonprofit corporation designated by the Nevada Governor's Office to implement the AmeriCorps program in Nevada consistent with the 1993 Act, Nevada Volunteers receives and manages State and National Grants from AmeriCorps, awards and disburses subgrants, monitors subgrantees for performance and compliance with grant requirements, provides training and technical assistance, and functions as liaison between AmeriCorps and subgrantees. From February 2024 to February 2025, Nevada Volunteers administered 12 programs supported by AmeriCorps State Grants, involving 345 members who completed service at 41 service locations across the state. AmeriCorps provided \$4,350,957 in funding for these projects, plus an additional \$500,605 in State Commission Operations Support. The AmeriCorps program in Nevada includes local programs for the City of Las Vegas and the City of Henderson. For example, the City of Las Vegas AmeriCorps Program provides educational support and resources (e.g., K-12 tutoring) for children throughout the city. The City of Las Vegas AmeriCorps Program supports over 60 servicemember positions.

138. The New Jersey Commission on National and Community Service administers AmeriCorps funding for the State of New Jersey and supports the growth and development of

national service and volunteerism throughout New Jersey. In FY 2024, the New Jersey Commission received at least \$6 million in federal formula funding from AmeriCorps, and managed awards for 23 subgrantees. Grant recipients run projects that—among other things—promote ecological stewardship, assist individuals in addiction recovery, advance disaster preparedness, and support vulnerable populations including children and the elderly.

139. The New York State Commission on National and Community Service administers AmeriCorps funding to improve lives, strengthen communities, and foster civic engagement through service and volunteering across New York. Supported by the State Commission, AmeriCorps members in New York provide tutoring to elementary school students, serve in soup kitchens and homeless shelters, help New Yorkers access public benefits, and provide education on health issues and disaster preparedness to impoverished communities.

140. OregonServes disburses allocated AmeriCorps funds through a competitive grantmaking process to eligible entities to run AmeriCorps programs and hire AmeriCorps members to provide services in their community. Grantees selected by OregonServes for 2024–2025 include the Ethos Rural Outreach Program, which provides K-12 education support in areas with limited education budgets, and the Salvation Army–Grants Pass Corps, which provides critical support such as housing, education, and employment resources for homeless individuals.

141. Operating within the Pennsylvania Department of Labor and Industry, PennSERVE is Pennsylvania’s designated state service commission for AmeriCorps. During the 2024–2025 grant year (since July 1, 2024) PennSERVE has managed a total of \$17,938,078 from four different federal grant awards which fund 28 AmeriCorps programs across Pennsylvania. PennSERVE’s programs currently have nearly 900 AmeriCorps members serving in Pennsylvania at over 250 active host sites spread across 41 counties. Some of the Pennsylvanians benefiting from these

AmeriCorps/PennSERVE programs include 90 veterans who are currently receiving peer support and assistance with mental illness and addiction problems in Butler, PA; 2,483 students in rural northwestern PA currently receiving academic and social-emotion support before, during, and after school; over 7,700 K–12 students who have an AmeriCorps teacher in their Greater Philadelphia-area classrooms; approximately 1,000 low-income residents in southern-central Pennsylvania receiving access to financial education, free tax preparation, and workforce readiness training; individuals and families in the Lehigh Valley where AmeriCorps members improve community stabilization by increasing access to food, housing, income, and health resources; and elementary school students in Pittsburgh receiving support to improve academic engagement and academic performance.

142. In Vermont, AmeriCorps grants are managed by SerVermont, a state government office within the Agency of Human Services. SerVermont currently manages 5 grants for AmeriCorps State and National: the Lyndon Economic Opportunity AmeriCorps Program, Vermont Housing and Conservation Board, EveryBody Works, Vermont Environmental Careers and Opportunities; and Vermont Youth Conservation Corps. Subgrantees use the funds they receive from SerVermont to run programs to benefit Vermonters by recruiting, managing, paying, and training AmeriCorps members, handling program operations and costs, and monitoring and supporting subgrantees. In 2024, SerVermont's subgrants supported roughly 300 AmeriCorps members who contributed service across the State of Vermont. Those members supported 7,339 children and youth, treated over 1,800 acres of public land, improved over 130 miles of trail, and recruited or managed over 22,000 volunteers, among other accomplishments. Since 1994 more than 6,600 Vermont residents have serviced approximately 9.8 million hours.

143. In Washington, ServeWashington, part of the State’s Office of Financial Management, awards and disburses subgrants from both competitive and formula funding. Until April 25, ServeWashington managed grants for 22 subgrantees, including the Washington State Department of Veterans’ Affairs, the Washington State Department of Employment Security, Chelan-Douglas County Community Action Council, Girl Scouts of Western Washington, United Way of King County, United Way of Benton and Franklin Counties, College Possible, and Washington Association of Child Advocate Programs, among others. These grants funded AmeriCorps volunteers to work at food banks, help communities build climate resilience and prepare for disasters, tutor children in reading, rehabilitate low-income housing, plant trees, mentor at-risk youth, provide services to home-bound seniors, provide services to at risk veterans and those transitioning from the military, and reduce gang involvement in schools and neighborhoods, among many other things.

V. The Administration’s Prior Efforts to Dismantle Federal Agencies

144. This case presents only the latest chapter in an ongoing saga, as the Administration attempts to dismantle federal agencies without Congressional approval.

145. On the first day of his second term in office, President Trump issued an Executive Order creating a so-called “Department of Government Efficiency”—in reality, a redesignation of the preexisting United States Digital Service—to “improve the quality and efficiency of government-wide software, network infrastructure, and information technology (IT) systems.” Exec. Order No. 14,158, *Establishing and Implementing the President’s “Department of Government Efficiency,”* § 4(a) (Jan. 20, 2025).

146. The Executive Order directed agency heads to “establish within their respective Agencies a DOGE Team of at least four employees, which may include Special Government Employees, hired or assigned within thirty days of the date of this Order.” *Id.* § 3(c).

147. Notwithstanding DOGE’s nominal focus on information technology, DOGE Teams have “swe[pt] through government departments looking for spending and staff cuts.”²²

148. In particular, DOGE and the Administration have targeted politically disfavored agencies—such as the U.S. Agency for International Development (USAID),²³ the Consumer Financial Protection Bureau (CFPB),²⁴ the U.S. Institute of Peace,²⁵ the Institute of Museum and

Library Services (IMLS),²⁶ and the Department of Education²⁷—by terminating their grants and contracts, firing their personnel, and eliminating their programs.

149. In several instances, the Administration first placed employees on administrative leave and later conducted RIFs to terminate those employees.²⁸

150. Congress did not authorize any of those reductions. To the contrary, on March 15, Congress passed—and President Trump signed—an appropriations act that reappropriated funding for nearly all of these agencies at their 2024 levels.²⁹ Full-Year Continuing Appropriations Act, 2025, § 1101(a)(8) & (11), 139 Stat. at 10–12 (reauthorizing appropriations from Further

151. Simultaneously, the Administration has tried unilaterally to reduce the size of the federal workforce. Barely one week after President Trump’s inauguration, the Office of Personnel Management (OPM) sent a government-wide email that purported to extend “deferred resignation offers,” under which federal employees who agreed to resign would be placed on paid administrative leave with no work responsibilities through the end of September.³⁰

152. After fewer federal workers than expected took the “deferred resignation” offer, the Administration began firing employees en masse. In mid-February, OPM directed agencies to terminate workers in probationary status, leading to at least 24,000 layoffs.³¹ *See Maryland v. U.S. Dep’t of Agric.*, — F. Supp. 3d —, 2025 WL 973159, at *3 (D. Md. Apr. 1, 2025).

153. The Administration’s wave of cuts has been challenged in numerous lawsuits, including by the Plaintiff States. *See, e.g., Maryland v. U.S. Dep’t of Agriculture*, No. 1:25-cv-00748 (D. Md.) (mass firing of probationary employees); *New York v. McMahon*, No. 1:25-cv-10601 (D. Mass.) (Department of Education); *Rhode Island v. Trump*, No. 25-cv-00128 (D.R.I.) (IMLS).

Times, Jan. 28, 2025, <https://www.nytimes.com/2025/01/28/us/politics/trump-buyouts-federal-workers.html>. The email cited no authority that would permit eight months of administrative leave when, by statute, employees may be placed on administrative leave for “not more than a total of 10 work days” per year. 5 U.S.C. § 6329a(b)(1).

154. Already, two district courts have enjoined in whole or in part the Administration’s attempts to gut federal agencies (specifically, USAID and the CFPB).³² See *AIDS Vaccine Advoc. Coal. v. U.S. Dep’t of State*, — F. Supp. 3d —, 2025 WL 752378, at *10–*11, *14–*17 (D.D.C. Mar. 10, 2025) (plaintiffs were likely to succeed on claims that the Administration (a) lacked a reasoned basis for categorically suspending foreign aid programs, and (b) violated the separation of powers by refusing to spend the funds that Congress appropriated); *Nat’l Treasury Emps. Union v. Vought*, — F. Supp. 3d —, 2025 WL 942772, at *20, *40 (D.D.C. Mar. 28, 2025) (attempts to shut down the CFPB were likely unconstitutional and contrary to law).

155. Nevertheless, the Administration remains intent on continuing—and expanding—its assault on the federal government. On February 11, the President issued an executive order directing every federal agency to “submit a plan to reduce the size of the Federal Government’s workforce,” and to “promptly undertake preparations to initiate large-scale reductions in force (RIFs).” Exec. Order No. 14,210, *Implementing the President’s “Department of Government Efficiency” Workforce Optimization Initiative*, § 3(a), (c) (Feb. 11, 2025). The President required these RIFs to prioritize the elimination of “[a]ll offices that perform functions not mandated by statute or other law.” *Id.* § 3(c). The Office of Management and Budget (OMB) and OPM issued

a companion memorandum emphasizing that agencies should “focus on the maximum elimination of functions that are not statutorily mandated.”³³

156. On February 26, the President issued an executive order “commenc[ing] a transformation in Federal spending on contracts, grants, and loans,” which required each agency head (“in consultation with the agency’s DOGE Team Lead”) to “review all existing covered contracts and grants and, where appropriate and consistent with applicable law, terminate or modify (including through renegotiation) such covered contracts and grants to reduce overall Federal spending or reallocate spending to promote efficiency and advance the policies of my Administration.” Exec. Order No. 14,222, *Implementing the President’s “Department of Government Efficiency” Cost Efficiency Initiative* §§ 1 & 3(b) (Feb. 26, 2025). The order directed agencies to “prioritize the review of funds disbursed under covered contracts and grants to educational institutions and foreign entities for waste, fraud, and abuse.” *Id.* § 3(b).

VI. The Administration’s Unlawful Effort to Dismantle AmeriCorps

157. The Administration made a decision to dismantle AmeriCorps. This decision is a final agency action, and is being effectuated, among other ways, by releasing more than 750 NCCC members, placing most agency staff on administrative leave in anticipation of terminations, and cancelling contracts and grants.

158. As described by AmeriCorps’ Interim Agency Head, Jennifer Bastress Tahmasebi, in an email to AmeriCorps’ Board: “A team from DOGE arrived last Tuesday [April 8]. Since

³³ See Memorandum for Heads of Executive Agencies and Departments, from Russell T. Vought, Director, OMB, and Charles Ezell, Acting Director, OPM, *Guidance on Agency RIFs and Reorganization Plans Requested by “Implementing the President’s ‘Department of Government Efficiency’ Workforce Optimization Initiative,”* at 2 (Feb. 26, 2025), <https://www.opm.gov/policy-data-oversight/latest-memos/guidance-on-agency-rif-and-reorganization-plans-requested-by-implementing-the-president-s-department-of-government-efficiency-workforce-optimization-initiative.pdf>.

they arrived[,] myself, the acting Chief Operating Officer (Jill Graham), the acting General Counsel (Jana Maser), the acting Deputy General Counsel (Liz Appel) have worked with them around Administration goals to cut staff, contracts, contractors, and agency deliverables.” A true and correct copy of the Bastress Tahmasebi Email is attached as Ex. C.

159. “The DOGE team requested and we have granted access to all our systems including email.” *Id.*

160. Bastress Tahmasebi further explained that AmeriCorps’ leadership “engaged in conversations with the DOGE team on what the staffing structure should look like consistent with Administration goals.” *Id.*

161. Subsequent to those conversations, on April 15, all members of AmeriCorps NCCC received a memorandum from Ken Goodson, NCCC National Director, that provided “official notification that you are being released from the AmeriCorps NCCC program effective April 30th, 2025. Effective April 30th, 2025, your status as an AmeriCorps NCCC Corps Member will terminate and your NCCC provided benefits will be discontinued.” A true and correct copy of the Goodson Memorandum is attached as Ex. A.

162. Because AmeriCorps regulations do not provide for termination of NCCC members by AmeriCorps, without cause, before the end of their term of service, AmeriCorps described this termination as “approving your early release . . . for compelling personal circumstances.” Ex. A; 45 C.F.R. § 2522.230(a).

163. The Goodson Memorandum continued: “Your early departure is considered compelling as it results from program circumstances beyond your control.” Ex. A.

164. An email, sent from the general AmeriCorps NCCC mailbox, accompanying the Goodson Memorandum stated that: “In alignment with the Trump-Vance administration priorities

and Executive Order 14,222 ‘Implementing the President’s Department of Government Efficiency Cost Efficiency Initiative,’ AmeriCorps NCCC is working within new operational parameters that impact the program’s ability to sustain program operations.”³⁴ A true and correct copy of this email is attached as Exhibit B.

165. Similarly, Defendant Bastress Tahmasebi attributed the decision to shut down NCCC to a “shift in the staff footprint” resulting from DOGE’s deferred resignation program “combined with additional efforts to downsize the agency through reductions in force.” Ex. C.

166. As a result of the Goodson Memorandum, more than 750 AmeriCorps NCCC members were placed on administrative leave. *Id.*

167. The next day, Bastress Tahmasebi issued a memorandum that “put 85% of [AmeriCorps’] staff on administrative leave.” *Id.* A true and exact copy of the Bastress Tahmasebi Memorandum is attached as Ex. D.

168. The Bastress Tahmasebi Memorandum stated: “During the period that you are on administrative leave you are not to enter AmeriCorps premises, access AmeriCorps systems, or attempt to use your position or authority with AmeriCorps in any way without . . . prior permission of a supervisor in your chain of command.” *Id.*

169. In conjunction with the acceptance of “deferred resignation” offers, the Bastress Tahmasebi Memorandum reduced AmeriCorps’ active workforce to 115 employees (106 core staff and 9 employees of AmeriCorps’ Office of General Counsel). Ex. C. That is less than one-fifth as many personnel as AmeriCorps had on January 20.

³⁴ Holly Taft, *Doge Cuts Pull AmeriCorps Volunteers Off of Disaster Relief Jobs*, WIRED, Apr. 16, 2025, <https://www.wired.com/story/doge-cuts-amicorps-volunteers-disaster-relief-jobs/>.

170. On April 24, AmeriCorps began to issue RIF notices to employees on administrative leave. A true and correct copy of one RIF notice is attached as Exhibit E.

171. According to news reports, and as has been the case at other agencies targeted by DOGE, the intent is to “cut [AmeriCorps’] workforce by ‘up to 50 percent or more.’”³⁵ Indeed, upon information and belief, the vast majority of those AmeriCorps employees who had been placed on administrative leave either accepted deferred resignation offers or received a RIF notice.

172. AmeriCorps has thus terminated or barred from work the vast majority of its members and employees—including those responsible for allocating federal funds and performing AmeriCorps’ statutorily mandated duties. *See, e.g.*, 42 U.S.C. § 12657.

173. At the same time, AmeriCorps, at the behest of DOGE, has terminated “almost all” of its outside contractors, who performed functions including information technology, human resources, and financial services. Ex. C, at 2. These functions are now supposedly being “transfer[ed]” to the few remaining staff. *Id.*

174. In reality, immediately placing nearly 85% of AmeriCorps’ core staff on administrative leave has disabled AmeriCorps from performing its statutory and regulatory obligations.

175. For example, AmeriCorps’ Office of Grant Management is responsible for reviewing all grant applications and components (including national competitive and state formula packages) for eligibility and compliance. Yet, upon information and belief, Defendants’ actions have reduced the Office of Grant Management’s staff from 25 employees to only one. The level of staffing that remains at AmeriCorps following the Defendants’ actions is inadequate to permit

³⁵ Tobi Raji, *AmeriCorps staff members placed on leave after DOGE visit*, Wash. Post, Apr. 16, 2025, <https://www.washingtonpost.com/nation/2025/04/16/ameri-corps-cuts-doge-trump/>.

AmeriCorps to timely or accurately review applications for grants of funds that are statutorily allocated to Plaintiff States.

176. As one other example of how the cuts in AmeriCorps staffing disable it from performing required duties, AmeriCorps is responsible for drafting annual NOFOs that provide public notice of each grant it plans to award, including funds the AmeriCorps is statutorily required to allocate to the Plaintiff States. 2 C.F.R. § 2205.100; *id.* § 200.204 (requiring NOFOs for competitive awards and setting their minimum content.). Upon information and belief, the staff responsible for drafting the annual NOFOs has been cut from 10 to 3. The level of staffing that remains at AmeriCorps following the Defendants' actions is inadequate to enable AmeriCorps to perform its obligation to timely draft the required NOFOs.

177. Next, after business hours on Friday, April 25, Defendants continued executing their decision to dismantle AmeriCorps by notifying grantees that their programs—collectively funded by nearly \$400 million in AmeriCorps grants, or approximately 41% of AmeriCorps' budget—were immediately terminated.³⁶

178. According to the Summary worksheet of an Excel workbook that was last modified by Defendant Bastress Tahmasebi on April 21, of at least 1,031 programs the Defendants cut, 838 (more than four-fifths) were AmeriCorps State and National programs funded by subgrants awarded and administered by State Service Commissions. A true and correct PDF copy of the Excel workbook, including a printout of metadata showing that Defendant Bastress Tahmasebi last edited the file, is attached as Exhibit F.

³⁶ Tobi Rajj, *DOGE orders major cut to AmeriCorps funding, imperiling agency's work*, Wash. Post, April 25, 2025, <https://www.washingtonpost.com/nation/2025/04/25/ameri-corps-grant-cuts-doge/>.

179. By dollar value, of the \$396,509,896 in grant-supported programs that were terminated, more than 93% (\$371,129,870) were administered by the AmeriCorps State and National Office. *Id.* That constitutes two-thirds of the \$557,094,000 that Congress directed AmeriCorps to assign to its State and National Grants for FY 2024. *See* 170 Cong. Rec. H2060–61 (Mar. 22, 2024).

180. Defendants have cited no authority that permits them to terminate programs funded as subgrants to grants awarded to State Service Commissions.

181. The Data worksheet of the Excel workbook provides details on each of at least 1,031 programs that the Defendants cut, revealing that every state and several territories were impacted. Ex. F.

182. Defendants’ notices not only terminated, collectively, nearly \$400 million of funding to service programs, they also directed the immediate cessation of all volunteer service performed in connection with those programs.

183. For example, the notice received by the Delaware Governor’s Commission with respect to AmeriCorps State and National Grants stated in pertinent part:

Effective immediately, the AmeriCorps award subrecipient(s) included in the attached spreadsheet is/are being terminated per 2 CFR 200.340(a)(4) because it has been determined that the award no longer effectuates agency priorities. You must immediately cease all award activities. This is a final agency action and is not administratively appealable.

...

State commissions and prime grantees should immediately notify subgrantees, operating sites, and members and follow grant close-out procedures. All member activities should cease immediately. Members should be exited for compelling personal circumstances (CPC). The program should document that the member was exited for compelling personal circumstances due to the agency’s termination of the grant and program closure.

A true and correct copy of that notice is attached as Ex. G.

184. Delaware also received a notice from Defendants that terminated the VISTA program in Delaware. A true and correct version of that is attached as Ex. H.

185. The notice terminating the VISTA program duplicated the language of the notice terminating AmeriCorps State and National Grants, and added: “If you have [VISTA] members active on your award/agreement, all members will be removed from your project effective immediately.” Ex. H.

186. The regulation cited by Defendants, 2 C.F.R. § 200.340(a)(4), does not permit Defendants to change the priorities applicable to grants by AmeriCorps on a whim during a given fiscal year. *See* 42 U.S.C. § 12572(f) (requiring AmeriCorps to give notice of priorities for competitive grants that will be in effect “for a fiscal year,” and providing that the *States, not AmeriCorps*, set the priorities for formula grants under 42 U.S.C. § 12638(e)(1)); *see also* 45 C.F.R. § 2522.460(b) (“A State may apply priorities different than those of AmeriCorps in selecting its formula programs.”). Rather, during a fiscal year, AmeriCorps only “may . . . suspend or terminate payments under a contract or grant providing assistance under this subchapter, or revoke the designation of positions . . . as approved national service positions,” when AmeriCorps “determines there is a material failure to comply with this subchapter or the applicable terms and conditions of any such grant or contract issued pursuant to this subchapter.” 42 U.S.C. § 12636(a)(1).

187. Even upon finding “a material failure,” AmeriCorps “must provide the recipient reasonable notice and opportunity for a full and fair hearing.” 45 C.F.R. § 2540.400(b); *see* 42 U.S.C. § 12636(a)(2)(B). AmeriCorps must afford notice that it “intends to terminate or revoke assistance,” describe “the grounds and the effective date for the proposed termination or

revocation,” and allow the recipient “at least 7 calendar days” to “show[] good cause why such assistance should not be terminated or revoked.” 45 C.F.R. § 2540.400(b)(1). None of that occurred here. Defendants did not even bother to explain why—under an inapposite regulation—“the award[s] no longer effectuate[d] agency priorities.” *Cf.* 2 C.F.R. 200.340(a)(4).

188. These program closures, conducted without the required notice and opportunity to be heard, are part and parcel of the Administration’s attempt to dismantle AmeriCorps.

VII. Harms to the Plaintiff States

189. Plaintiff States will be directly and irreparably harmed by the decision to dismantle AmeriCorps and the actions taken to implement that decision. Indeed, irreparable harms already are being felt by the Plaintiff States.

190. As of April 25, Defendants immediately closed a majority of AmeriCorps programs in many Plaintiff States. In Delaware, for example, Defendants eliminated nine out of ten programs that had been awarded more than \$1.2 million in funding for FY 2025. *Ex. G.* Without notice, Defendants terminated all but one State-supported program in Washington and every State-supported program in Michigan.

191. In Nevada, Defendants shut down 8 AmeriCorps programs. In Illinois, they eliminated 28 programs and impacted 632 members. In Kentucky, they closed 21 programs, ended service for 691 members, and caused the loss of more than \$9 million in federal funds. And in New York, Defendants terminated 40 programs operating at more than 300 locations across the State and prematurely ended the service of over 1,200 AmeriCorps members.

192. Defendants also demanded that “[a]ll member activities should cease immediately.” *Id.* Plaintiff States have been forced to issue immediate stop-work orders to their service projects or direct those projects to take steps to wind down their efforts.

193. Under the Terms and Conditions for AmeriCorps State and National Grants, “[m]embers must be exited within 30 days of the end of their term of service.”³⁷ Defendants’ April 25 notices direct that “[m]embers should be exited for compelling personal circumstances (CPC),” Ex. G; therefore, Plaintiff States have until May 25, at latest, to exit members from their terminated programs, after which it will be impracticable to return them to service.

194. In addition to the wave of terminations, Plaintiff States have been and will continue to be harmed by the other manifestations of Defendants’ decision to dismantle AmeriCorps.

195. An 85% reduction in AmeriCorps’ personnel will leave the agency incapable of fulfilling its mission or carrying out its statutorily mandated purposes. In the opinion of state employees who interact with AmeriCorps, the agency’s few remaining staff members will not be able to administer existing grants or timely process requests for new ones. Indeed, AmeriCorps already has felt the need to terminate just under half of its grant funding. Following the same pattern, for previous agencies targeted by the Administration, employees’ placement on administrative leave has been followed quickly by waves of grant terminations.³⁸

196. AmeriCorps’ Office of Grant Administration (which, upon information and belief, has been reduced to one employee) and AmeriCorps State/National (which, upon information and belief, has been reduced to three employees) will not be able to process grant applications, conduct

³⁷ AmeriCorps, 2024 Terms and Conditions for AmeriCorps State and National Grants 5, <https://www.americorps.gov/sites/default/files/document/2024ASNProgram508TC.pdf> (last accessed Apr. 28, 2025).

³⁸ E.g., Melissa Angell, *Trump Severs Funding for Minority Business Centers as He Dismantles the MBDA, Inc.*, Apr. 21, 2025 (“Numerous MBDA business centers received emails last Thursday notifying them that the agency was axing their federal grants immediately, explaining that the funding doled out was ‘no longer consistent with the agency’s priorities and no longer serves the interest of the United States and the MBDA program.’”), <https://www.inc.com/melissa-angell/trump-severs-funding-for-minority-business-centers-as-he-dismantles-the-mbda/91178803>.

quality reviews, or award funds quickly enough to support existing service programs. Already, the Plaintiff States have experienced unusual delays in the application process for next fiscal year's State and National Competitive Grants: AmeriCorps has not notified successful applicants by "mid-April 2025" as promised in the NOFO.

197. Further delays in the State and National Competitive Grant awards also will impact Plaintiff States' ability to submit timely applications for formula-based funds. Because most AmeriCorps projects follow the academic calendar, States need to submit complete grant packages by June 13 to ensure that final awards are executed, members enrolled, and programs funded in time for the coming school year. The ongoing delays in finalizing formula awards as a result of the dismantling of AmeriCorps will jeopardize school-based projects entirely.

198. Simultaneously, AmeriCorps' remaining staff must complete the process for awarding support and investment grants to State Service Commissions. Plaintiff States rely on these funds being available on July 1 to support their Service Commissions' day-to-day operations. Defendants' chaotic dismantling of the agency risks delaying those funds.

199. Upon information and belief, AmeriCorps' National Service Trust put all but three employees on administrative leave. Those employees will struggle to certify members' eligibility for education awards, process enrollments and exits, track members' hours, or ensure proper disbursement of federal funds. Delays in or loss of members' education awards will harm State universities whose tuition is paid using those awards.

200. AmeriCorps also terminated its contract with the developer that maintains its eGrants grant management portal. Any technical issues with that portal that arise will go unresolved, causing further delays to grant awards or amendments.

201. Already, AmeriCorps regional offices have gone silent, cutting off support and communication that the Plaintiff States rely on for matters such as member enrollment issues, member complaints and grievances, and correcting exit records. AmeriCorps staff who formerly communicated with Plaintiff States' State Service Commissions on a daily basis have been unreachable since Defendants began their efforts to dismantle AmeriCorps.

202. AmeriCorps' national office has abruptly curtailed regular meetings and coordination around recruitment, branding, and communications strategy for the coming cycle, as well as the ongoing development of the new grants management technology system scheduled to be rolled out in the coming year.

203. Likewise, AmeriCorps' remaining staff will not be able to fulfill statutory directives such as "conduct[ing] appropriate training for and provid[ing] technical assistance to . . . programs receiving assistance under the national service laws." 42 U.S.C. § 12657(a)(1).

204. These harms will be felt in each of the Plaintiff States. For instance, State agencies and universities at which AmeriCorps members are currently enrolled will lose that valuable service. States either will need to contribute their own funds to fill the gap or, more often, shutter the programs entirely. Partner organizations that rely on AmeriCorps members will be similarly limited or closed, and the vulnerable populations served by these organizations—such as immigrants, refugees, students, and the elderly—will place increased demand on State services.

205. States and their universities will also receive less tuition in the form of education awards paid to AmeriCorps members. The sudden termination of AmeriCorps programs will harm universities' reputations and impede their outreach to local communities. So too, universities' mission to engage with and serve their regions will irreparably suffer without AmeriCorps support.

206. Finally, the abrupt and chaotic dismantling of AmeriCorps will discourage participation in national service and dissuade local organizations from partnering with AmeriCorps programs in the future. Defendants’ arbitrary termination of millions of dollars’ worth of programs during National Volunteer Week—even as President Trump “call[ed] upon all Americans to observe this week by volunteering in service projects across our country and pledging to make service a part of their daily lives”³⁹—makes a mockery of AmeriCorps’ statutory mission to “renew the ethic of civic responsibility and the spirit of community and service throughout the varied and diverse communities of the United States.” 42 U.S.C. § 12501(b)(2).

CLAIMS FOR RELIEF

COUNT I Administrative Procedure Act Contrary to Law

207. Plaintiffs incorporate by reference the allegations contained in the preceding paragraphs.

208. Defendants include an “agency” under the APA. 5 U.S.C. §§ 551(1), 701.

209. Defendants took final agency actions subject to judicial review when they made the decision to dismantle AmeriCorps and implemented that decision by, among other things, placing nearly all AmeriCorps staff and all NCCC members on administrative leave or hold pending termination, and closing more than 1,000 AmeriCorps programs.

210. The APA requires courts to “hold unlawful and set aside” agency actions that are “arbitrary, capricious, an abuse of discretion, or otherwise not in accordance with law.” *Id.* § 706(2).

³⁹ Presidential Proclamation of National Volunteer Week, 2025 (Apr. 23, 2025), <https://www.whitehouse.gov/presidential-actions/2025/04/national-volunteer-week-2025/>.

211. Defendants have acted contrary to law by closing AmeriCorps programs en masse and terminating the staff and resources AmeriCorps needs to carry out its mission.

212. Specifically, the drastic reductions to AmeriCorps staffing, operations, and programs defy statutory directives requiring AmeriCorps to spend \$975,525,000 “to carry out” the 1990 and 1973 Acts, Further Consolidated Appropriations Act, 2024, 138 Stat. at 694; to spend \$99,686,000 on employee salaries and other “necessary expenses of administration,” *id.*, 138 Stat. at 695; to “provide[] for an office of the Corporation for each State,” 42 U.S.C. § 12651h; to “conduct appropriate training for and provide technical assistance to . . . programs receiving assistance under the national service laws,” *id.* § 12657(a)(1); and to “grant assistance . . . to accomplish the goals of the VISTA program.” *Id.* § 4960.

213. Defendants also acted contrary to law by closing approximately \$400 million worth of AmeriCorps programs without providing Plaintiff States with notice or an opportunity to be heard. *See* 42 U.S.C. § 12636; 45 C.F.R. § 2540.400.

214. Defendants also acted contrary to law by closing approximately \$400 million worth of AmeriCorps programs without a legitimate or legal basis.

215. Finally, Defendants acted contrary to law by defying Congress’s directive that AmeriCorps “make any significant changes to program requirements, service delivery or policy only through public notice and comment rulemaking.” Further Consolidated Appropriations Act, 2024 § 401, 138 Stat. at 695 (amounts reappropriated “under the authority and conditions provided in” FY 2024 by Full-Year Continuing Appropriations Act, 2025, § 1101(a)(8), 139 Stat. at 11).

216. Under the appropriations acts, Congress “explicitly required use of notice and comment” when AmeriCorps makes any significant changes to program requirements, service

delivery or policy, and AmeriCorps' attempt to make such changes here without "notice and comment is contrary to law." *See Michigan v. EPA*, 268 F.3d 1075, 1088 (D.C. Cir. 2001).

217. Accordingly, Plaintiffs are entitled to an order and judgment, and to a preliminary and permanent injunction, holding unlawful and setting aside the decision to dismantle AmeriCorps and enjoining any action taken to enforce or implement it.

COUNT II
Administrative Procedure Act
Notice and Comment

218. Plaintiffs incorporate by reference the allegations contained in the preceding paragraphs.

219. The APA requires that a reviewing court "hold unlawful and set aside agency action, findings, and conclusions found to be . . . without observance of procedure required by law." 5 U.S.C. § 706(2)(D).

220. In the FY 2024 appropriations act, Congress explicitly required that Defendants "shall make any significant changes to program requirements, service delivery or policy only through public notice and comment rulemaking." Further Consolidated Appropriations Act, 2024 § 401, 138 Stat. at 695.

221. In the FY 2025 appropriations act, Congress reappropriated the amounts from the FY 2024 appropriations act, "under the authority and conditions provided in" that Act. Full-Year Continuing Appropriations Act, 2025, § 1101(a)(8), 139 Stat. at 11.

222. In effectuating the decision to dismantle AmeriCorps by placing nearly all AmeriCorps staff and all NCCC members on administrative leave or hold pending termination, and by closing nearly \$400 million worth of AmeriCorps programs, Defendants made "significant changes to program requirements, service delivery or policy."

223. Defendants' actions could lawfully be issued only following public notice and comment rulemaking.

224. Without having proceeded through notice-and-comment procedures, Defendants' actions are procedurally invalid under the APA.

225. Accordingly, plaintiffs are entitled to an order and judgment, and to a preliminary and permanent injunction, holding unlawful and setting aside the decision to dismantle AmeriCorps and enjoining any action taken to enforce or implement it.

COUNT III
Administrative Procedure Act
Arbitrary and Capricious

226. Plaintiffs incorporate by reference the allegations contained in the preceding paragraphs.

227. Defendants include an "agency" under the APA. 5 U.S.C. §§ 551(1), 701.

228. The APA requires courts to "hold unlawful and set aside" agency actions that are "arbitrary, capricious, an abuse of discretion, or otherwise not in accordance with law." *Id.* § 706(2).

229. The decision to dismantle AmeriCorps and Defendants' actions to drastically curtail or terminate AmeriCorps' statutorily mandated activities—including by placing 85% of AmeriCorps staff on leave, placing all AmeriCorps NCCC members on administrative hold pending termination effective April 30, 2025, commencing large-scale RIFs, and terminating approximately \$400 million worth of AmeriCorps programs—constitute final agency actions under the APA.

230. The decision to dismantle AmeriCorps was arbitrary and capricious because Defendants provided no reasoned explanation for their decision; failed to consider the legitimate

reliance interests of States, grantees, the public, and other interested entities; failed to conduct statutorily mandated hearings during which those interests may have been presented, failed to consider reasonable alternatives; and failed to weigh the purported benefits against the costs.

231. Accordingly, plaintiffs are entitled to an order and judgment, and to a preliminary and permanent injunction, holding unlawful and setting aside the decision to dismantle AmeriCorps and enjoining any action taken to enforce or implement it.

COUNT IV
U.S. Constitution
Separation of Powers

232. Plaintiffs incorporate by reference the allegations contained in the preceding paragraphs.

233. Article I, Section 1 of the United States Constitution enumerates that: “[a]ll legislative Powers herein granted shall be vested in . . . Congress.” U.S. Const. art. I, § 1. The Constitution also “exclusively grants the power of the purse to Congress, not the President.” *City & County of San Francisco v. Trump*, 897 F.3d 1225, 1231 (9th Cir. 2018).

234. The Executive’s powers are limited to those specifically conferred by “an act of Congress or from the Constitution itself.” *Youngstown Sheet & Tube Co. v. Sawyer*, 343 U.S. 579, 585 (1952). The Executive has no power “to enact, to amend, or to repeal statutes.” *Clinton v. City of New York*, 524 U.S. 417, 438 (1998).

235. The Constitution further provides that the executive must “take Care that the laws be faithfully executed.” U.S. Const. Art. II, Sec. 3. The Executive Branch violates the Take Care Clause where it declines to execute or otherwise undermines statutes enacted by Congress and signed into law or duly promulgated regulations implementing such statutes. *See In re United Mine Workers of Am. Int’l Union*, 190 F.3d 545, 551 (D.C. Cir. 1999) (“[T]he President is without

authority to set aside congressional legislation by executive order”); *Kendall v. United States*, 37 U.S. 524, 613 (1838) (rejecting argument that by charging the President with faithful execution of the laws, the Take Care clause “implies a power to forbid their execution”). Given these principles, where the Executive Branch overrides a statute or the legislative intent of Congress, it violates the separation of powers doctrine.

236. Here, where Congress has created AmeriCorps and the programs it administers, the Executive cannot incapacitate AmeriCorps from carrying out statutorily assigned duties by terminating the staff AmeriCorps needs to accomplish its mission and by cutting approximately \$400 million worth of AmeriCorps programs funded by Congressional appropriations. The dismantling of AmeriCorps thus violates Constitutional and statutory mandates, contravenes Congressional intent, and is unlawful.

237. Accordingly, plaintiffs are entitled to a preliminary and permanent injunction, and to a declaration pursuant to 28 U.S.C. § 2201, declaring unlawful and setting aside the decision to dismantle AmeriCorps and enjoining any action taken to enforce or implement it.

COUNT V
Ultra Vires Executive Action

238. Plaintiffs incorporate by reference the allegations contained in the preceding paragraphs.

239. Neither the President nor an agency can take any action that exceeds the scope of their constitutional and/or statutory authority.

240. Federal courts possess the power in equity to grant injunctive relief “with respect to violations of federal law by federal officials.” *Armstrong*, 575 U.S. at 326–27. Indeed, the Supreme Court has repeatedly allowed equitable relief against federal officials who act “beyond

th[e] limitations” imposed by federal statute. *Larson v. Domestic & Foreign Com Corp.*, 337 U.S. 682, 689 (1949).

241. The dismantling of AmeriCorps is contrary to law and outside of Defendants’ authority because Defendants cannot effectively incapacitate AmeriCorps by eliminating the staff and resources AmeriCorps requires to meet its statutory obligations.

242. Accordingly, plaintiffs are entitled to preliminary and permanent injunctive relief barring the dismantling of AmeriCorps. Pursuant to 28 U.S.C. § 2201, plaintiffs are also entitled to a declaration that the dismantling of AmeriCorps is contrary to law and outside Defendants’ authority.

PRAYER FOR RELIEF

WHEREFORE, Plaintiffs pray that this Court:

- i. Declare that the decision to dismantle AmeriCorps and actions taken to effectuate it are unlawful and/or unconstitutional because they violate the APA and/or the United States Constitution;
- ii. Pursuant to 5 U.S.C. § 705, postpone the effective date of the decision to dismantle AmeriCorps and actions taken to effectuate it;
- iii. Pursuant to 5 U.S.C. § 706, vacate the decision to dismantle AmeriCorps and actions taken to effectuate it;
- iv. Preliminarily and permanently enjoin the Defendants from effectuating the decision to dismantle AmeriCorps;
- v. Award Plaintiffs their reasonable fees, costs, and expenses, including attorneys’ fees, pursuant to 28 U.S.C. § 2412; and
- vi. Grant other such relief as this Court may deem proper.

AmeriCorps National Civilian Community Corps

Date:

To:

From: Ken Goodson, NCCC National Director

Subject: Notification of Release- Compelling Circumstances

I am hereby approving your early release from the NCCC program for compelling personal circumstances. This letter is official notification that you are being released from the AmeriCorps NCCC program effective April 30th, 2025.

Effective April 30th, 2025, your status as an AmeriCorps NCCC Corps Member will terminate and your NCCC provided benefits will be discontinued.

Your early departure is considered compelling as it results from program circumstances beyond your control. As such you may be eligible to receive a pro-rated education award if you have completed 15% or more of your 1700-hour service term.

Please contact your Unit Leader and/or ANCCC@AmeriCorps.gov for more details. You are considered to have successfully completed service in the AmeriCorps – NCCC program.

Thank you for your service and I wish you all the best in your future endeavors.

Ken Goodson
NCCC National Director

Subject: Letter to All Members on Demobilization

To:

CC: **_ANCCC** <ANCCC@americorps.gov>

Dear NCCC Members,

We are writing to provide you with an important and urgent update on your NCCC service.

In alignment with the Trump-Vance Administration priorities and Executive Order 14222, “Implementing the President’s ‘Department of Government Efficiency’ Cost Efficiency Initiative,” AmeriCorps NCCC is working within new operational parameters that impact the program’s ability to sustain program operations. As a result, **AmeriCorps is sending all NCCC members to their homes of record as soon as possible.**

At this time, all teams are directed to return to their Region campus immediately—as soon as is safely practicable. NCCC Members will be moved into administrative hold with pay status through April 30th, 2025, after which they will be exited from the NCCC program. The program will exit all Members early with Compelling Personal Circumstances (CPC) status.

CPC designation means that your service is concluding due to programmatic circumstances beyond your control. You will be considered to have successfully completed AmeriCorps service, and those of you who have completed 15% or more of your 1700-hour service term will be eligible for a prorated Education Award. Unfortunately, this prorated award cannot be extended to those of you who have not yet completed 15% of your hours.

Your Unit Leader or other Region staff will be in touch with you shortly to confirm details of your Team’s return to campus, as well as to describe other logistical details of return to your Home of Record. Staff will also be in contact with your project sponsors and will inform them of the need to exit members.

Medical Hold

If you are on medical hold, you’ll remain at your current location in medical hold status. On April 30th, 2025, your status will change to “exited with Compelling Personal Circumstances,” and staff will coordinate the return of any belongings remaining on campus to your Home of Record.

Benefits

Members will continue to receive living allowance and IMG health benefits while on administrative hold status (through April 30th, 2025) and will be eligible for continued loan forbearance. Members will not, however, receive the daily food allowance provided during project rounds. Please contact your Member Support Specialist if you notice any disruption to your living allowance or IMG health care benefits or have questions about accessing your benefits. Inquiries can also be directed to NCCCmemberbenefits@americorps.gov.

Home of Record

If your Home of Record has changed or needs to change, please notify Region staff **immediately**.

We recognize the early conclusion of your service term causes significant disruption to your personal and professional planning. We deeply regret this impact. Your desire to strengthen American communities is commendable, and we thank you for your service in AmeriCorps NCCC.

Subject: Update

A team from DOGE arrived last Tuesday. Since they arrived; myself, the acting Chief Operating Officer (Jill Graham), the acting General Counsel (Jana Maser), the acting Deputy General Counsel (Liz Appel) have worked with them around Administration goals to cut staff, contracts, contractors, and agency deliverables. We have been supported behind the scenes by our acting Chief of Staff (Charndrea Leonard.) The DOGE team requested and we have granted access to all our systems including email.

We have engaged in conversations with the DOGE team on what the staffing structure should look like consistent with Administration goals. Yesterday, I put 85% of its staff on administrative leave. Our core staff is now 106 staff + the 9 staff in the Office of General Counsel.

The DOGE team has reviewed the agency's contracts and had some significant concerns. Primary among the concerns was a contract for a consultant that was paid \$700,000 over three years to support the agency getting to a clean audit. He then encouraged prior agency leadership to hire his former firm and the agency has spent millions and millions of dollars with EY. The agency has made little progress on the agency's financial audit and yet spent significant resources. Instead of addressing the lack of competence within the existing financial staff, the prior agency leadership elected to hire consultants to do core agency financial work.

With two and a half months in this seat that has primarily focused on responding to Presidential directives, I had not yet had time to review the agency's contracts. In looking at the list provided to the DOGE team, I made the decision to cut the contracts that I felt were duplicative of work staff should have been doing. In

addition to those cuts, the DOGE team has worked with us to terminate other contracts. The agency has very few contracts remaining and will be winding down some at a fast rate as we transfer the work to the remaining staff. The agency is currently positioned to keep the contracts that are legally required such as the childcare and health care contracts for AmeriCorps members.

The agency also had a lot of contractors that worked alongside the agency staff. They were primarily in the departments of information technology, human capital, and financial services. Yesterday, almost all of those contractors were removed. A select group of contractors remain. We will be winding down their work at a fast rate as we transfer the work to the remaining staff.

The DOGE team continues to work with us and the work needed to get the agency aligned with the Administration is not yet complete. I will update as I am able on further progress.

Below is the statement we will be providing to Congressional appropriators that have requested information about taking NCCC members out of service. All communications with the Hill have to be cleared by OMB.

AmeriCorps initiated a deferred resignation plan (DRP) to reduce the size of the agency's workforce. Many agency staff elected to take the DRP, including a significant number of National Civilian Community Corps (NCCC) staff who directly support the health, safety, and productivity of AmeriCorps NCCC members, and will stop working this month. This shift in the staff footprint, combined with additional efforts to downsize the agency through reductions in force require time for planning and implementing changes to program administration to ensure AmeriCorps member safety.

As a result, on Tuesday, AmeriCorps made the decision to place more than 750 AmeriCorps NCCC members on administrative leave through April 30, 2025, at which point their terms will conclude. This decision was not made lightly or without understanding the impact it would have for the AmeriCorps members, their families, the communities being served, communities yet to be served, and the NCCC staff. While the deployment back to campuses and then member's home of record is happening rapidly, it is being handled with a commitment to excellence by the NCCC staff and will allow safe transport for AmeriCorps members. All members that have served at least 15% of their required service hours will earn a pro-rated Segal AmeriCorps Education Award.

We thank these NCCC AmeriCorps members for their service and understand their disappointment and frustration that they were not able to finish their anticipated terms.

While AmeriCorps undergoes restructuring in accordance with the Executive Order on Government Efficiency, AmeriCorps member safety and productivity remains the agency's top priority.

Thank you,
Jennifer

MEMORANDUM

DATE: April 16, 2025

FROM: Jennifer Bastress Tahmasebi
Interim Agency Head

SUBJECT: PLACEMENT ON ADMINISTRATIVE LEAVE

The purpose of this memorandum is to inform you that you are being placed on excused absence (also known as administrative leave) with pay effective immediately, pursuant to, among other authorities, 5 C.F.R. § 630.1403. You will remain on administrative leave with pay until otherwise notified.

While you are on administrative leave with pay, you must be available by telephone and e-mail during normal business hours, as it may be necessary for Agency officials to contact you.

You also must remain available to report to work if directed to do so. If you wish to request other leave (annual, sick or leave without pay) during this period, you should contact ceo@americorps.gov to make your request.

During the period that you are on administrative leave you are not to enter AmeriCorps premises, access AmeriCorps systems, or attempt to use your position or authority with AmeriCorps in any way without my prior permission or prior permission of a supervisor in your chain of command.

Any questions regarding the above information should be directed to ceo@americorps.gov.

MEMORANDUM FOR:

[REDACTED]
DEPARTMENT OF THE CHIEF EXECUTIVE OFFICER

FROM: Jennifer Bastress Tahmasebi
Interim Agency Head

DATE: 4/24/25

SUBJECT: Specific Notice of Reduction in Force

I regret to inform you that you are affected by a reduction in force (RIF) action. This RIF is necessary for workforce reshaping (i.e. reorganization) of AmeriCorps.

This is your specific notice of RIF. In accordance with RIF procedures specified in Title 5, Code of Federal Regulations, Part 351, you are being released from your competitive level based on your retention standing. Consequently, you will be separated from the Federal service effective Tuesday, June 24, 2025. In the event you are qualified and have assignment rights to a position that becomes available during the notice period, you will be informed via a specific, subsequent RIF notice. Should the circumstances of the RIF otherwise change, this notice may be withdrawn.

Please contact RIFquestions@americorps.gov immediately if you believe any of the below information is incorrect.

Retention Standing

To conduct the RIF, retention registers were prepared which list employees in retention standing order by civil service tenure group and subgroup, veterans' preference, performance ratings, and length of Federal service. The following information was used to determine your retention standing as of the RIF effective date:

Competitive Area: nan
Type of Service: 8.0 Excepted-Indefinite/Limited (more than 1 year)
Work Schedule: Full Time
Position: [REDACTED]
Pay Plan-Series-Grade: NY - 04/00 - 301.0
Competitive Level: 0001
Tenure Group and Subgroup: Group 3
Veterans' Preference: 1-NONE
Last Three Performance Ratings:
2024: [REDACTED]
2023: [REDACTED]
2022: [REDACTED]

Adjusted RIF Service Computation Date (SCD): 1 [REDACTED]

RIF Package

As an employee impacted by RIF, you will be provided with documents outlining applicable benefits for which you may be eligible or entitled, as appropriate.

If you feel you may be eligible to retire under Immediate, Early, Deferred Retirement or a Discontinued Service Retirement, we strongly encourage you to contact Jennifer Page to determine what you may be eligible for or entitled to, as appropriate. If you are eligible to elect retirement as a means of separating from Federal Service, please reach out to obtain retirement/benefits counseling and answer all your questions.

Eligibility to Retire After RIF Date Annual Leave Option

If your first eligibility date to retire will occur between the RIF effective date and the expiration of your accumulated annual leave balance, you will be eligible for one of the two separation benefits:

- Severance Pay, or
- Discontinued Service Retirement

Please contact Jennifer Page for more information.

Retirement Specialist	Phone Number	Email Address
Jennifer Page	202-606-6912	OHCBenefitsandRetirement@americorps.gov

In addition to the advice you receive from your Retirement Specialist, the OPM website <https://www.opm.gov/retirement-center/> will provide you with additional information concerning your benefits and retirement information to assist you in making your decision.

For training benefits under the Workforce Improvement Act of 1998, please see www.careeronestop.org.

For unemployment compensation benefits, please refer to the Department of Labor website at www.dol.gov.

For general information on transition assistance, please refer to the Office of Personnel Management website at www.opm.gov.

Deferred Resignation for Individuals Age 40 or Older

The agency announced a Deferred Resignation Program to the workforce on April 7. Under the Older Workers Benefit Protection Act individuals age 40 or older have until May 22 (45 days from April 7) to consider entering into a deferred resignation agreement. If you are age 40 or older and would like to enter into the Deferred Resignation Program, please send a signed deferred resignation agreement to deferredresignation@americorps.gov. The agency will review your agreement and if submitted timely will then return a fully executed copy to you. Your participation in the Deferred Resignation Program would result in you not being separated by the RIF.

Appeal and Grievance Rights

U.S. Merit Systems Protection Board (MSPB)

If you believe your retention rights have not been applied correctly or have been violated, you may appeal this action to the MSPB. Your appeal must be in writing and may be filed any time after the effective date of the action being appealed until no later than 30 calendar days after the effective date. Failure to file an appeal within the time limit may result in dismissal of the appeal as untimely filed. More information on filing appeals is included in your RIF package. You may also access the MSPB website at www.mspb.gov for additional and further detailed information on the appeal process.

Bargaining Unit Employees may grieve their separation by filing a grievance in accordance with Article 18 of the AmeriCorps/ AFSCME Local 2027 collective bargaining agreement. If you are a member of the bargaining unit as notated on your SF 50 in box 37 with the code 2027 or in the remarks section (box 45) you may be represented by the union. You must file your grievance within 14 calendar days of the effective date of this action. You must follow the process as outlined in Article 18. In lieu of contacting the Agency's Labor Relations Officer as described in Article 18, grievances should be sent to **RIFquestions@americorps.gov**. For further information on filing a grievance, you should contact a union steward. The union can be reached at Cncsemployeesunion@gmail.com. If you are alleging that your separation involves a prohibited personnel action, you may file with MSPB in accordance with the information above.

Equal Employment Opportunity (EEO)

If you believe this personnel action is based in whole or in part on discrimination based on your race, color, religion, sex, national origin, age (40 and over) or disability, you may file a complaint with the Agency's Civil Rights and Employment Branch at eo@americorps.gov. You must email the Civil Rights and Employment Branch no later than 45 calendar days of the effective date of the action, specifically, your separation from Federal service. You may also file with MSPB as noted above and raise discrimination as an affirmative defense. However, you may not proceed through both forums; you must elect one or the other. You may also access the U.S. Equal Employment Opportunity Commission (EEOC) website at www.eeoc.gov for additional and further detailed information on the Federal sector EEO process.

Office of Special Counsel

You may also seek corrective action before the U.S. Office of Special Counsel (OSC). Visit the OSC e-filing system web site at www.osc.gov, to access the online application. However, if you do so, you will be limited to whether the agency took one or more covered personnel actions against you in retaliation for making protected whistleblowing disclosures. If you choose to file an action with OSC, you will be foregoing your right to otherwise challenge the basis for this personnel action.

Ethics Restrictions

While you are on administrative leave, you are still a federal employee and subject to the Standards of Ethical Conduct for Employees of the Executive Branch ("Standards") at 5 CFR part 2635, the Hatch Act, and other applicable federal laws. You may accept outside employment so long as it is not in violation of these Standards. Please contact ethics@americorps.gov if you have specific ethics questions. Once you separate from the agency, either by RIF or deferred resignation, you should take note of the information in the attached Summary of Post Government Employment Restrictions.

Conclusion

This action is being taken in accordance with the applicable civil service RIF regulations. Included in your RIF package is a copy of the Office of Personnel Management (OPM) retention regulations, 5 C.F.R. Part 351. Further and detailed information about the RIF regulations may also be accessed on OPM's [Reductions in Force](#) website. You may review the RIF regulations at [5 C.F.R. Part 351](#). You may make an appointment to review and obtain a copy of records pertaining to you by contacting RIFquestions@americorps.gov.

The Employee Assistance Program (EAP) is available free to you and in most cases your immediate family. EAP counselors are available 24 hours a day, 365 days per year at 1-800-222-0364 or www.foh4you.com.

Because you are being separated through a RIF action, you are eligible for placement assistance. Specifically, you are eligible for the Agency's Reemployment Priority List (RPL). Your RIF package includes a RPL form should you choose to be considered for reemployment. Please fill it out and send it to RIFquestions@americorps.gov.

Please be advised that an early resignation may affect your eligibility for placement assistance and your appeal rights. It may also impact your ability to qualify for unemployment compensation and training benefits provided under the Workforce Investment Act (WIA). You are encouraged to contact your State's Department of Labor and Employment for any questions regarding unemployment compensation. You are also encouraged to contact your retirement specialist to determine how an early resignation may affect your benefits.

This RIF action does not reflect directly on your service, performance, or conduct. It is being taken solely for the reason stated above. Leadership at AmeriCorps is appreciative of your service.

Attached is an Authorization for Release of Employment Information form. This authorizes AmeriCorps to release your resume and other employment information to your local employment services agency and/or other potential public or private sector employers. Please sign the attached Authorization for Release of Employment Information and return it to RIFquestions@americorps.gov.

RE: Grant Termination

Dear AmeriCorps Award Recipient:

Effective immediately, the AmeriCorps award subrecipient(s) included in the attached spreadsheet is/are being terminated per 2 CFR 200.340(a)(4) because it has been determined that the award no longer effectuates agency priorities. You must immediately cease all award activities. This is a final agency action and is not administratively appealable.

The provisions at [2 CFR 200.343 – Effects of Suspension and Termination](#) apply. This process ensures the equitable settlement of costs, proper disposition of government property, and mitigation of negative impacts on stakeholders. AmeriCorps staff will initiate an amendment to change the end date of the period of performance effective immediately.

Please immediately notify subrecipients and/or community partners, if applicable, and initiate your internal termination and closeout procedures.

Please review [Closeout Instructions for Grantees](#) to close out this Federal award within 120 days. Please note, there are some close-out actions that indicate that you must submit information to your portfolio manager. Instead of submitting to those individuals, you must instead submit to the following regional mailboxes:

- MidAtlantic@americorps.gov (DC, DE, MD, NJ, PA, PR, VA, VI, WV)
- Midwest@americorps.gov (IL, IN, KY, MI, OH)
- Mountain@americorps.gov (AZ, CO, ID, MT, NM, UT, WY)
- NorthCentral@americorps.gov (IA, MN, WI, ND, SD, NE, KS, MO)
- Northeast@americorps.gov (CT, MA, ME, NH, NY, RI, VT)
- SouthCentral@americorps.gov (AR, LA, MS, OK, TX)
- Southeast@americorps.gov (AL, FL, GA, NC, SC, TN)
- West@americorps.gov (AK, AS, CA, CNMI, GU, HI, NV, OR, WA)

Costs after termination are allowable if:

(a) The costs result from financial obligations which were properly incurred before the effective date of termination, and

(b) costs are for necessary and reasonable termination and closeout activities.

Please follow the program specific instructions below, based on the type of award that is being terminated.

AmeriCorps State and National

State commissions and prime grantees should immediately notify subgrantees, operating sites, and members and follow grant close-out procedures. All member activities should cease immediately. Members should be exited for compelling personal circumstances (CPC). The program should document that the member was exited for compelling personal circumstances due to the agency's termination of the grant and program closure. If possible, the program should try to have the member transferred to another program. If this is not possible, the program should note in the CPC documentation that member reassignment was not an option.

AmeriCorps Seniors

You are encouraged to notify volunteers, volunteer stations and the Advisory Council. Please also reference Appendix A.3 in your program handbook for close-out guidance.

AmeriCorps VISTA

If you have members active on your award/agreement, all members will be removed from your project effective immediately. Further communication will go directly to impacted members and sponsors.

Volunteer Generation Fund and Days of Service

Notification of award termination should be sent to all subrecipients and community partners. Communication to subrecipients should include instruction to immediately cease award activity and the [Close Out Instructions for Grantees](#).

Research and Evaluation

Notification of award termination should be sent to all subrecipients and community partners.

INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44

Authority For Civil Cover Sheet

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

- I.(a) Plaintiffs-Defendants.** Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.
- (b) County of Residence.** For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)
- (c) Attorneys.** Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".
- II. Jurisdiction.** The basis of jurisdiction is set forth under Rule 8(a), F.R.Cv.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.
 United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here. United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.
 Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.
 Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; **NOTE: federal question actions take precedence over diversity cases.**)
- III. Residence (citizenship) of Principal Parties.** This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.
- IV. Nature of Suit.** Place an "X" in the appropriate box. If there are multiple nature of suit codes associated with the case, pick the nature of suit code that is most applicable. Click here for: [Nature of Suit Code Descriptions](#).
- V. Origin.** Place an "X" in one of the seven boxes.
 Original Proceedings. (1) Cases which originate in the United States district courts.
 Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441.
 Remanded from Appellate Court. (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.
 Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date.
 Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.
 Multidistrict Litigation – Transfer. (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. Section 1407.
 Multidistrict Litigation – Direct File. (8) Check this box when a multidistrict case is filed in the same district as the Master MDL docket.
PLEASE NOTE THAT THERE IS NOT AN ORIGIN CODE 7. Origin Code 7 was used for historical records and is no longer relevant due to changes in statute.
- VI. Cause of Action.** Report the civil statute directly related to the cause of action and give a brief description of the cause. **Do not cite jurisdictional statutes unless diversity.** Example: U.S. Civil Statute: 47 USC 553 Brief Description: Unauthorized reception of cable service.
- VII. Requested in Complaint.** Class Action. Place an "X" in this box if you are filing a class action under Rule 23, F.R.Cv.P.
 Demand. In this space enter the actual dollar amount being demanded or indicate other demand, such as a preliminary injunction.
 Jury Demand. Check the appropriate box to indicate whether or not a jury is being demanded.
- VIII. Related Cases.** This section of the JS 44 is used to reference related pending cases, if any. If there are related pending cases, insert the docket numbers and the corresponding judge names for such cases.

Date and Attorney Signature. Date and sign the civil cover sheet.

SUMMONS IN A CIVIL ACTION

To: (Defendant's name and address) Kelly O. Hayes, US Attorney for the District of Maryland
36 S. Charles St., 4th Fl
Baltimore, MD 21201

A lawsuit has been filed against you.

Within 21 days after service of this summons on you (not counting the day you received it) — or 60 days if you
are the United States or a United States agency, or an officer or employee of the United States described in Fed. R. Civ.
P. 12 (a)(2) or (3) — you must serve on the plaintiff an answer to the attached complaint or a motion under Rule 12 of
the Federal Rules of Civil Procedure. The answer or motion must be served on the plaintiff or plaintiff's attorney,
whose name and address are: Office of the Attorney General for the State of Maryland
Attn: Keith Jamieson
200 Saint Paul Place, 20th Floor
Baltimore, MD 21202

If you fail to respond, judgment by default will be entered against you for the relief demanded in the complaint.
You also must file your answer or motion with the court.
