I have been given nothing but great reviews about the event last night! It was a blast and please let me know if you want us to get the band back together. Next time I will drink less Red Bull.

I remember us talking about where the donations should go and If at all possible I would like to recommend these charities for consideration. They ALL give 90 cents on the dollar directly to the veteran. I don't endorse many charities and Please believe me when I say these folks get it. Call me if you want to chat! Thanks

Cool no prob. We are in the same boat with all the controversy WWP probably isn't one we are going to be giving to. Headed to plane now as well. See you in a bit.

Hey pal if at all possible I would like to have a conversation with you to submit wounded veteran organizations for consideration. There are some that do great things and, in my opinion, you'll get a better bang for your buck than the WWP. I'm not a WWP hater either. I just think with your level of supporters we could really change lives.

Look forward to seeing you! We are about to head to the plane.

I am excited to be a part of the Trump train and look forward to tomorrow. I would like to schedule a time to discuss your expectations of me and talking points to include while on stage.

I apologize but do not have a serviceable military uniform. After my amputation I never had a new one made with the correct alternations. I have dress appreciate for most occasions.

Fortunately I do not require any special accommodations for my disability. I can walk any steps and have no problem standing for long periods.

If you need a bio or anything else please feel free to give me a shout. Thanks.
