Neil, we will be writing off the Preferred Stock holding first so it will be some time before we write off the loans.

Citibank is sending in their signatures early next week for the last document I need for the closing package.

Paul,

Two things:

1. My closing documents?
2. More importantly, what is the game plan & timing for the first set of write-downs?

Thanks,

Neil

Yes I did, I am holding them up here on 39 until closing docs are prepared. Some people did not supply enough original signature pages. Your docs are fine.

Did you receive the originals of the executed documents pertaining to my side of the transaction (for my safe).

Thanks,
