Division of Regional Affairs
Harlem Regional Office
Student Mediator Externship
Reference No.  HRO_EXT/UG_FA/SP_2019-20

The Harlem Regional Office (HRO) of the New York State Office of the Attorney General has externships available during the 2019-20 academic year for undergraduate students to work as student mediators. In addition to other legal matters, the HRO prosecutes businesses and individuals engaged in fraudulent, deceptive or illegal trade practices. Interested students must receive course credit for their work at the HRO as part of an independent study or externship program.

In addition to litigation, the HRO mediates thousands of complaints filed each year by individual consumers. A large percentage of these complaints are successfully resolved through an informal mediation process. Student mediators play an integral part of this mediation process.

Students are given the title of "Mediators" and act as consumer advocates in negotiating complaints against merchants. Each mediator is assigned a number of complaint files covering a broad range of consumer issues including retail sales, mail order transactions, credit transactions, telemarketing, warranty problems, home repair and automobile sales.

Students are exposed to the Office's procedures and deal directly with consumers and merchants to resolve complaints. Students are taught interviewing techniques and will have the opportunity to develop analytical skills as they learn to focus on the underlying issues for each complaint. While each complaint is reviewed by a member of our professional staff, students typically exercise significant discretion and independent judgment. Professional staff and attorneys are always available to answer questions. The position provides students a high degree of responsibility and requires them to exercise excellent judgment. Applicants must be articulate, analytical, imaginative and organized. No specific experience is required.

At the time of hire, students are required to provide written confirmation from their schools indicating their acceptance into an externship program or an approved independent study. Additionally, this confirmation must indicate the appropriate externship contact at their school along with the parameters of the placement, including the employer’s responsibilities and the required minimum/maximum work hours to be completed. U.S. citizenship and NYS residency are not required.
