Purpose.

§ 20-1. Purpose.

The Town Board of the Town of Perinton recognizes that towns must establish rules and standards of ethical conduct for public officers and employees which, if observed, can enhance public confidence in local government. In the light of a tendency today on the part of some people to downgrade our local governments and to discredit our public servants and our free institutions generally, it appears necessary that every effort be made to assure the highest caliber of public administration of this town as part of our state's important system of local government. It is the purpose of this chapter to implement this objective through the establishment of standards of conduct, to provide for punishment for violation of such standards and to create a Board of Ethics to render advisory opinions to the town's officers and employees as provided for herein.
