CERTIFICATION

I certify and swear under penalty of law that I have read and know the contents of this application, including the promotional and advertising materials attached as an exhibit to this application; and that all material facts stated in all those documents are accurate and those documents do not contain any material omissions.

I further certify that I understand that if the OAG grants this exemption application, it would be subject to the following terms and conditions:

1. that this exemption does not permit applicant to:
   o Sell franchises from or in New York,
   o Sell franchises at the Franchise Expo, or
   o Provide a Franchise Disclosure Document in New York;

2. that this exemption is valid only during the specified dates and times of the Franchise Expo;

3. that a Franchise Expo standard notice sign must be conspicuously displayed at the booth with the appropriate text for a U.S. based franchisor; and

4. that if franchises are sold without approval from the OAG, the franchisor and its agents, representatives, and employees may be subject to civil and/or criminal penalties. This may include obtaining injunctive relief against the franchisor and any other person participating in the proscribed conduct, and compelling the franchisor to pay damages and/or to offer rescission (plus interest) to affected franchisees.

I further certify and understand that if the OAG grants this exemption, I agree that it would be impracticable and extremely difficult to ascertain the amount of actual damages caused if the franchisor breached it. Therefore, I agree that, in the event it is established that the franchisor or any of its agents, representatives or employees violate a provision or a condition of this exemption, including the selling of a franchise from or in New York without the OAG's approval, the franchisor shall pay liquidated damages to the OAG in the amount of ten thousand dollars ($10,000) for each violation. The franchisor agrees that this liquidated damages provision represents reasonable compensation for the loss which would be incurred by the OAG due to any such violation. The franchisor also agrees that nothing in this application or the granting of this exemption is intended to limit the OAG's right to obtain injunctive and other relief as may be appropriate.

I further certify that I am duly authorized to make this certification on behalf of the Franchisor. I certify that the foregoing statements are true. I understand that if any of the foregoing statements made by me are willfully false, I am subject to investigation, legal proceedings and potential monetary penalties.
